Amherst County High School
Amherst, Virginia 24521*

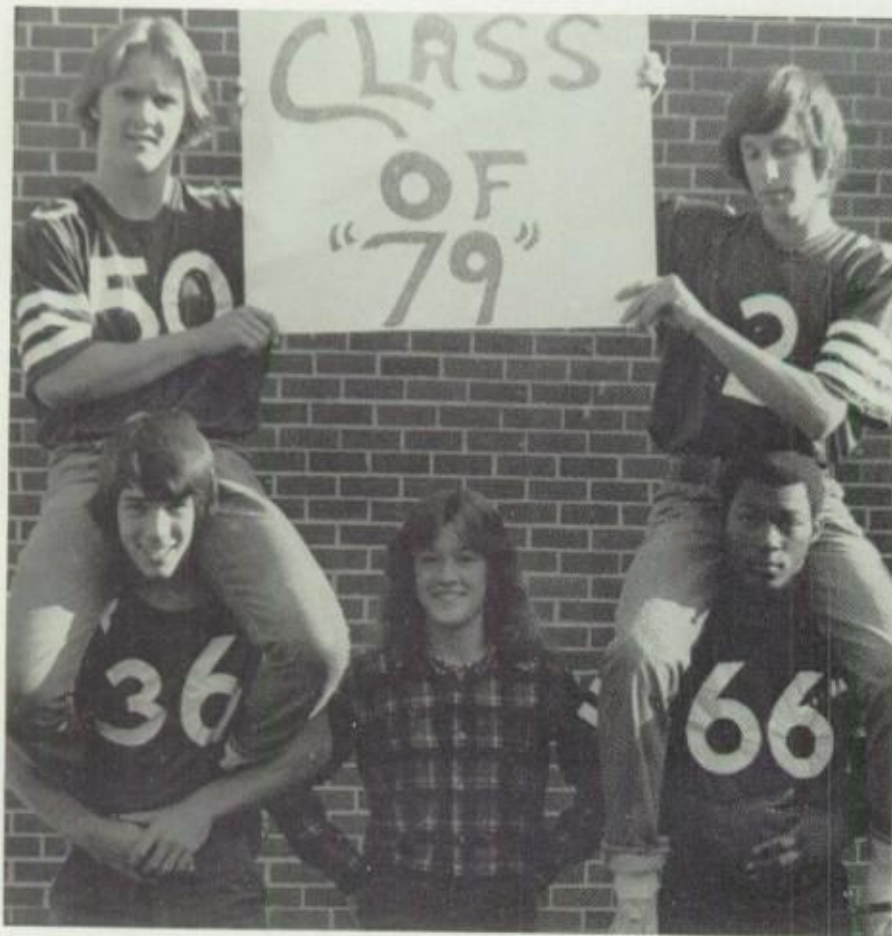

In the shadow of the mountains, the people of Amherst County, ranging from professors at Sweet Briar College to farmers in the community, work hard at their jobs and use their leisure time to enjoy the county's advantages. The county is proud of its town, its homes, the college and its simple country beauty. But the thing that's nicest about Amherst County is the people who call it home.

Nestled at the foot of the Blue Ridge Mountains, Sweet Briar College sits, tucked away here in Amherst County. Its 3300-acre campus stretches over meadows, woodlands, and a nature sanctuary. It has two lakes and a productive dairy farm. Sweet Briar was founded in 1901 by Indiana Fletcher Williams in memory of her only daughter who died at the age of sixteen. Built on the plantation lands of the Fletcher-Williams family, it opened in 1906. The plantation home itself, sometimes referred to as Sweet Briar House, now is the home of the president of the college. Sweet Briar is considered one of the leading colleges in the United States and is very much in touch with the world outside its Virginia home.

Winton, a two story, columned, Southern house, was the home of the sister of Patrick Henry. The area around it later became known as New Glasgow and finally Clifford. It belonged to Mr. and Mrs. L.A. Snead until it became a country club, surrounded by a swimming pool, golf course, tennis courts, and gentle, rolling hills.

During the summer of '77 many changes were made at ACHS. The classrooms and halls were painted in vivid colors, and the cafeteria was provided with new furniture. Unfortunately, the cafeteria is not yet complete because of the high costs. But the first steps toward improvement have been made, and the students and faculty have a sense of pride.

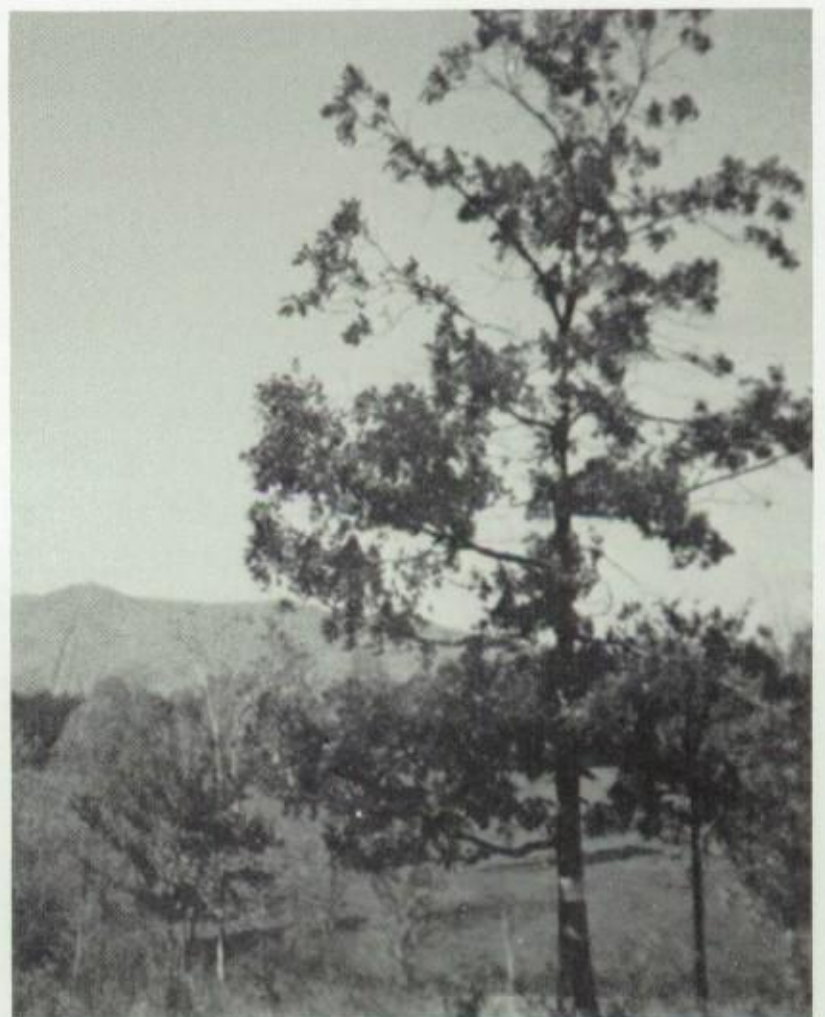

The Spirit Point System was devised by the varsity cheerleaders to put more emphasis on school spirit. To obtain points, students made signs for the Lancers and suggested ideas to help promote spirit. Points were also awarded to classes for cooperation and spirit. At the end of each week, the cheerleaders added up the points and the class with the most points received the Spirit Stick for one week.

Morning. Rising to peep over misty blue mountains, the sun spills a yellow glow over rolling hills, farms, and towns. Slowly, homes and businesses come to life. Amherst County is progressing, but, in the process, the important aspects of life for its people remain constant. Love, caring, friendship, and a helping hand to each other continue unchanged, despite rapid growth.

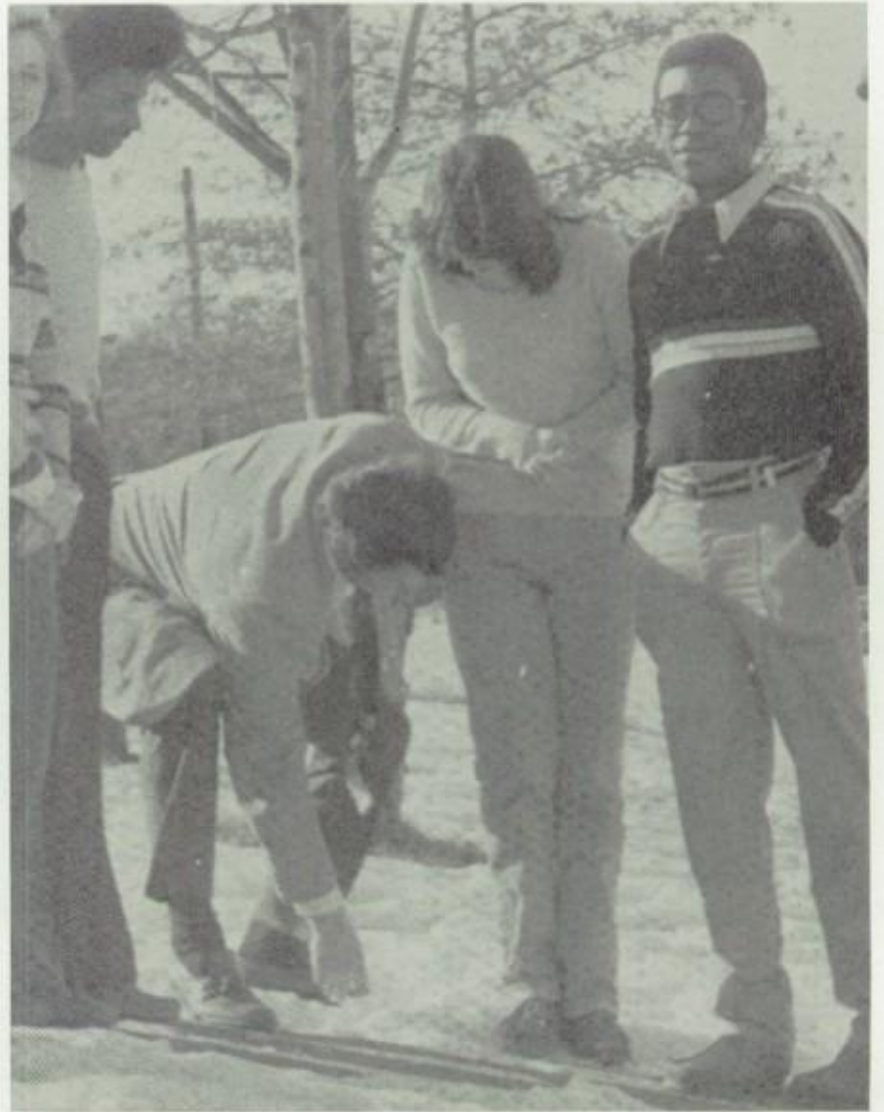

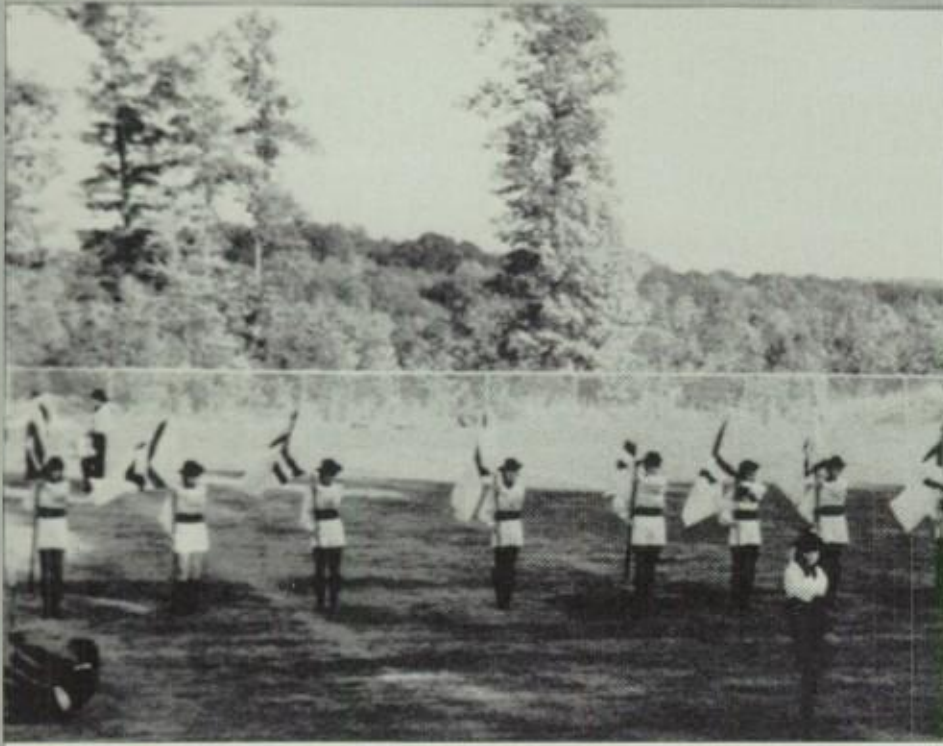

Dedication

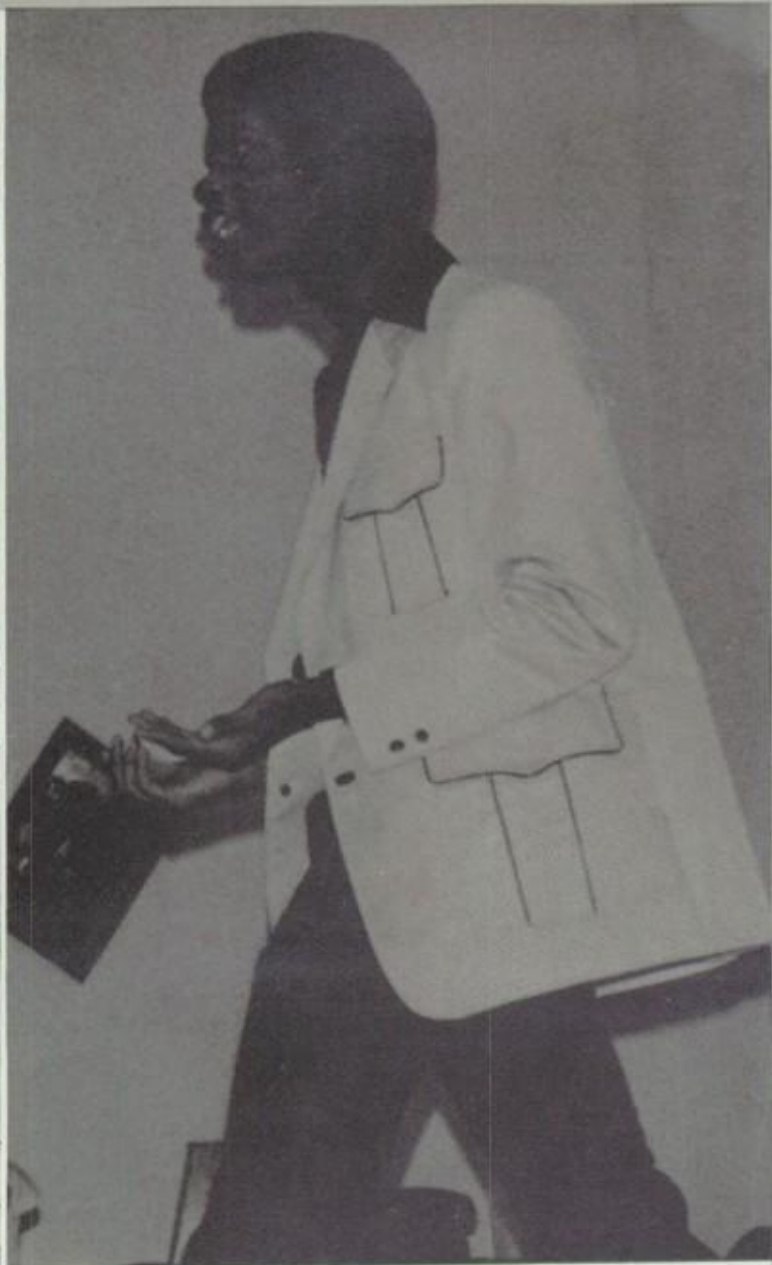

He has given us years of trust, understanding, and guidance. He has always believed in reaching out to his students and taking the time to listen. He has had the faith and confidence in us that we needed to unite the student body. Under his direction, the administration, faculty, and student body worked together to make this year a new beginning for ACHS. It is with immense pride that the Amethyst staff dedicates the 1978 Amethyst to you, Mr. Karl Carter.

Activities

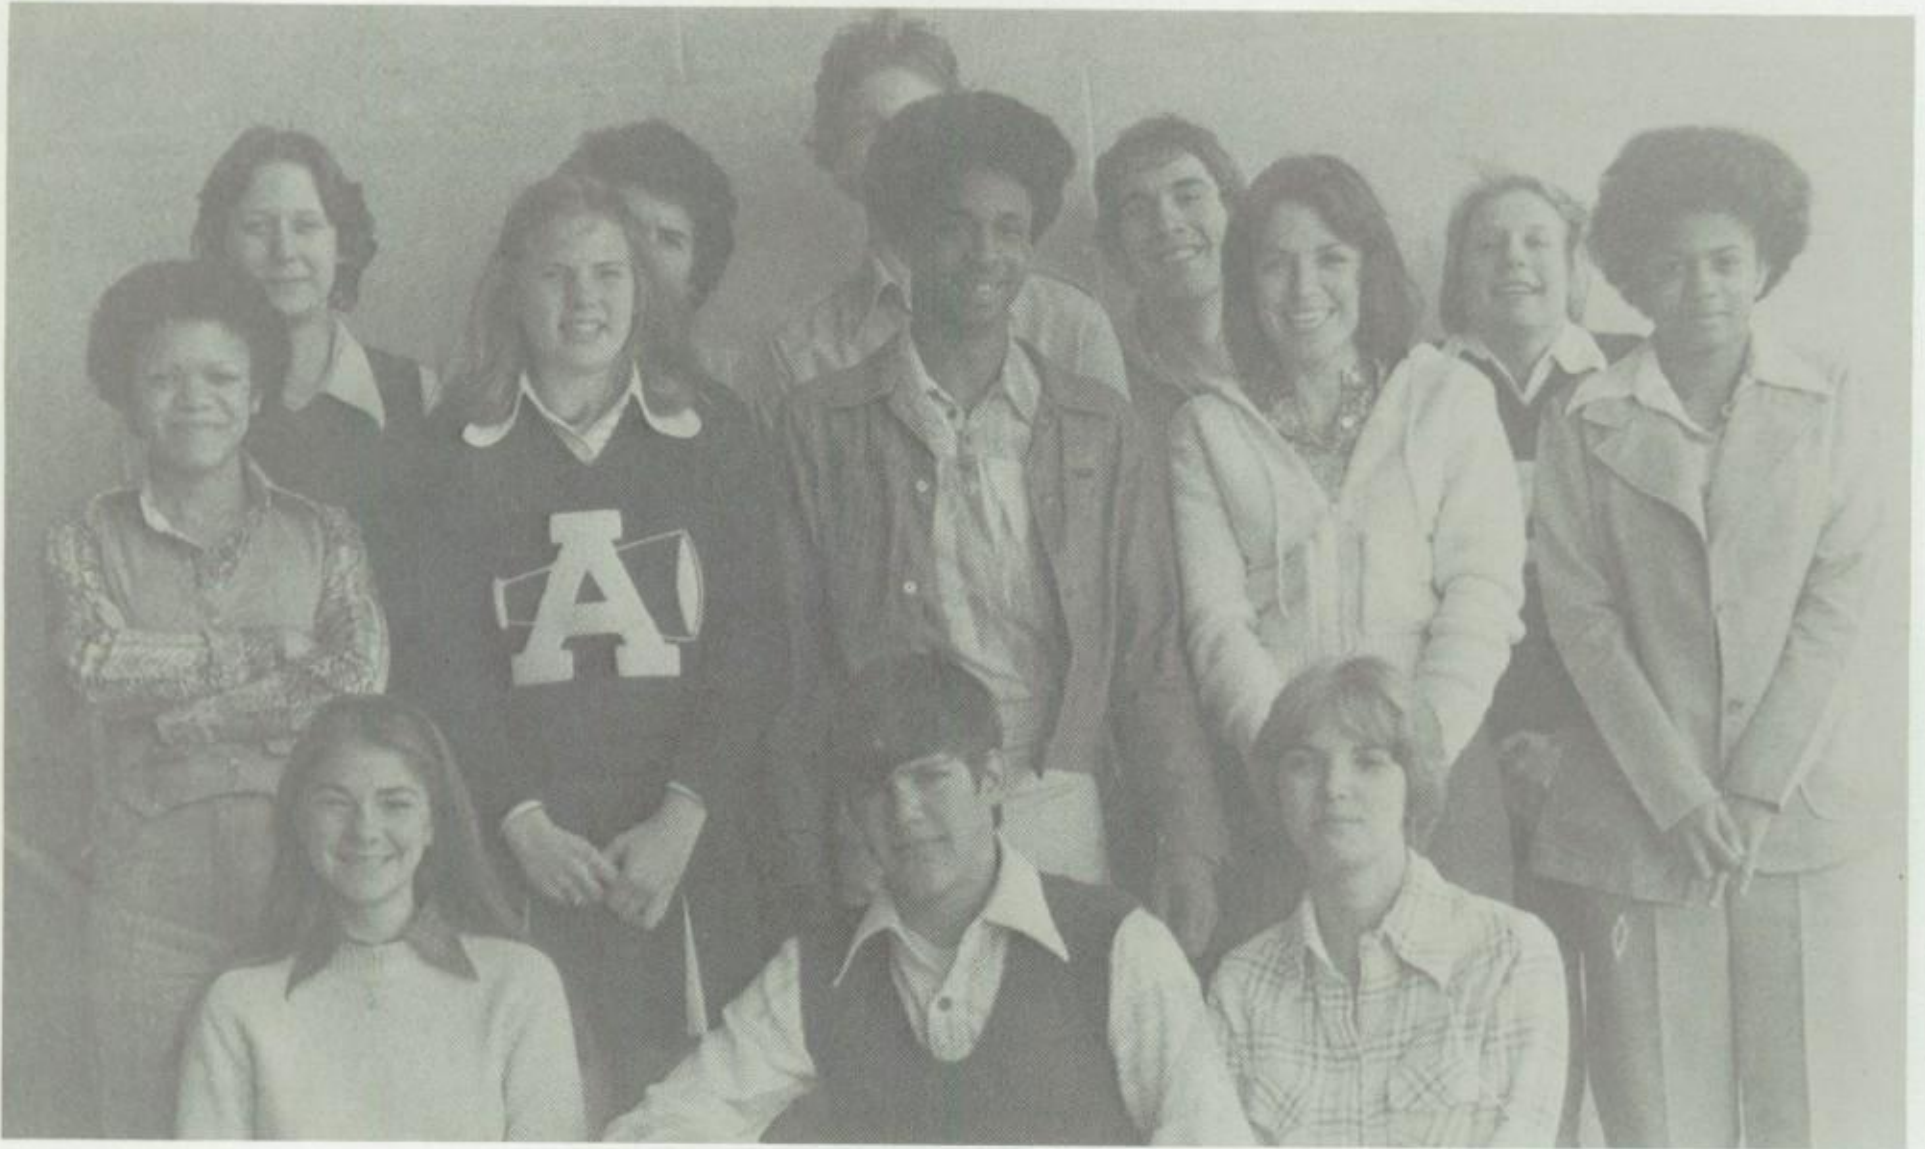

No matter how large or small the school, student participation is essential, and at ACHS it was a very much a part of life. Students participated in everything, from plays to bands, to singing groups. Variety was here and ACHS students took full advantage. Variety is the life of Amherst County.

Let's Go To The Hop!

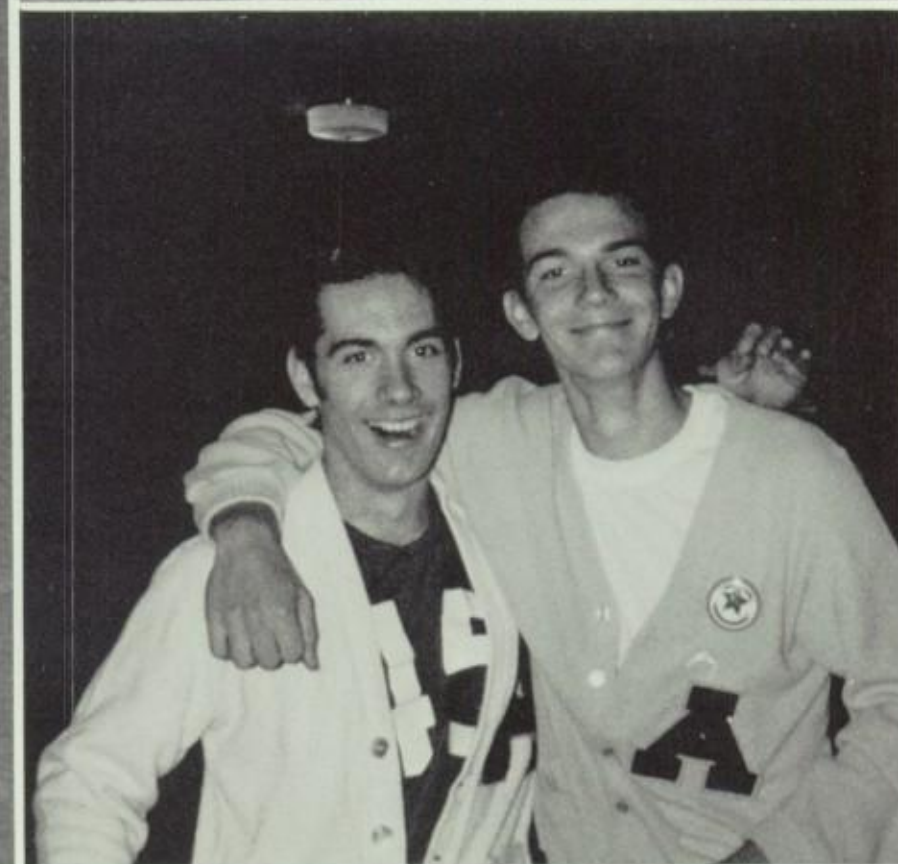

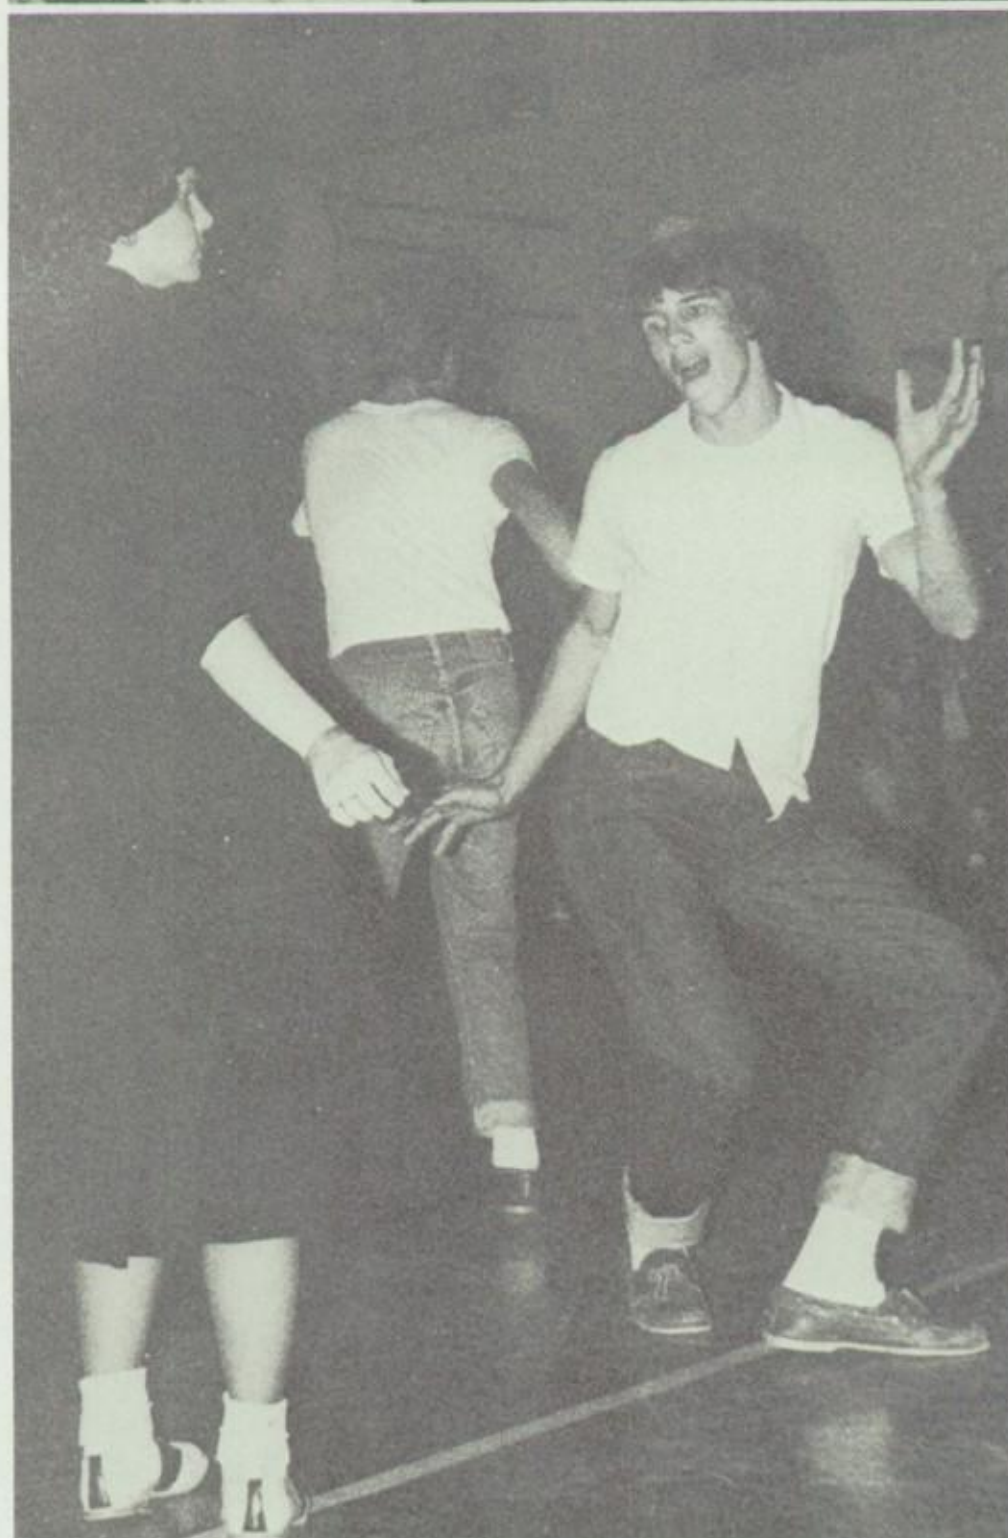

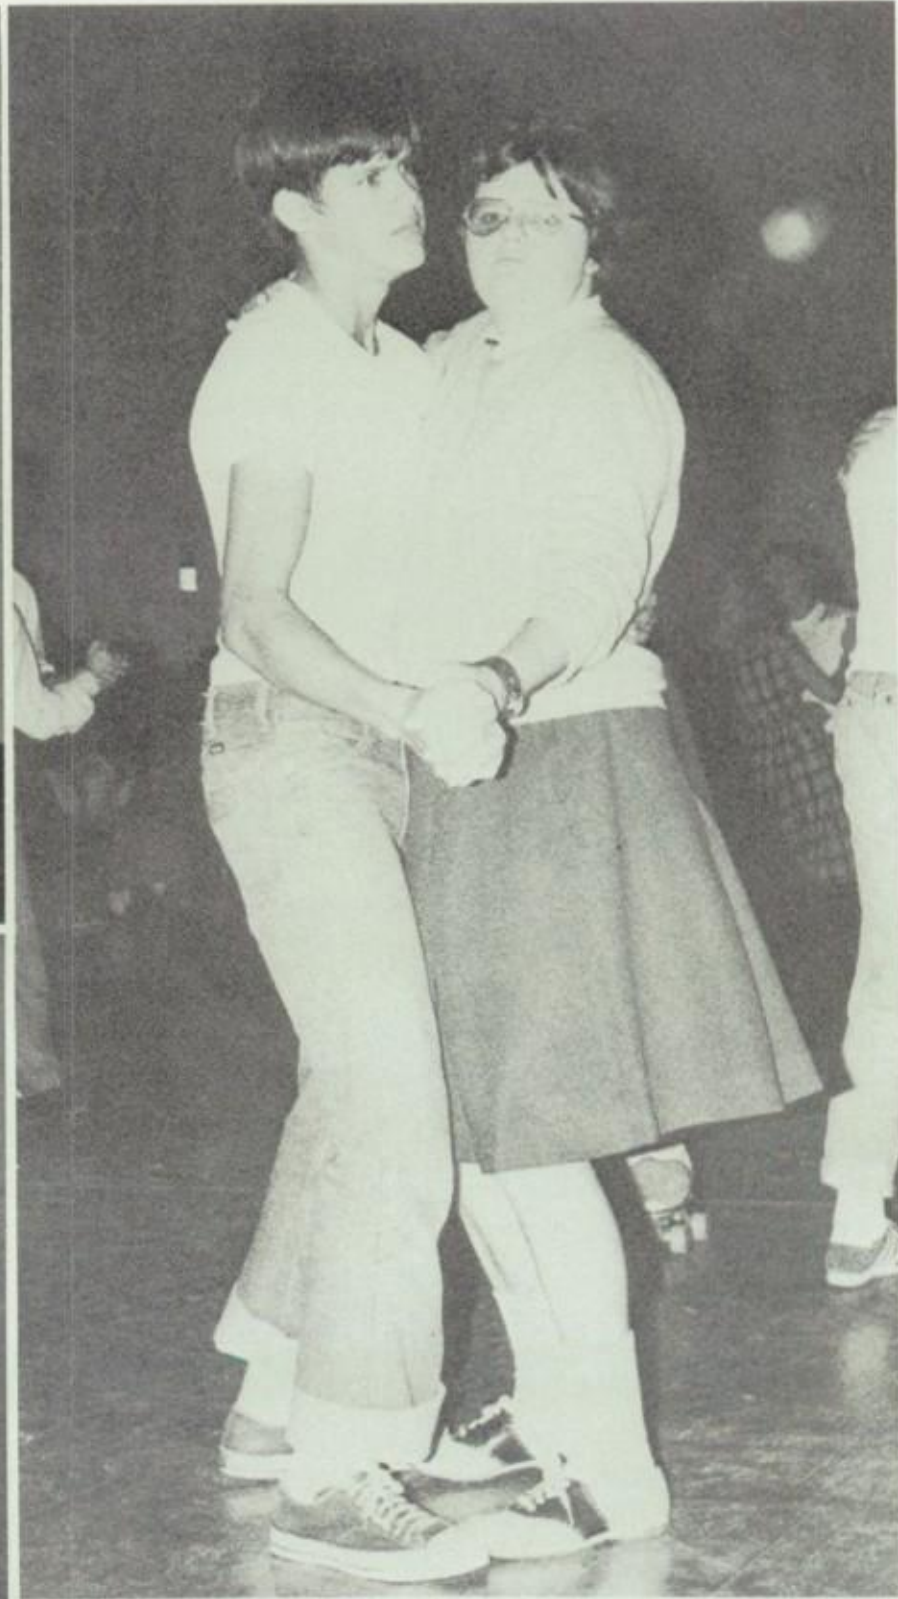

Whoa!!!

Students jitterbugged and bunnyhopped all through the night of October 22 at the annual Sock Hop. The dance was sponsored by the National Honor Society. The Music, provided by "Dr. Focht", kept skirts twirling and feet tapping in time.

Come and get me!

Junior Ring Assembly

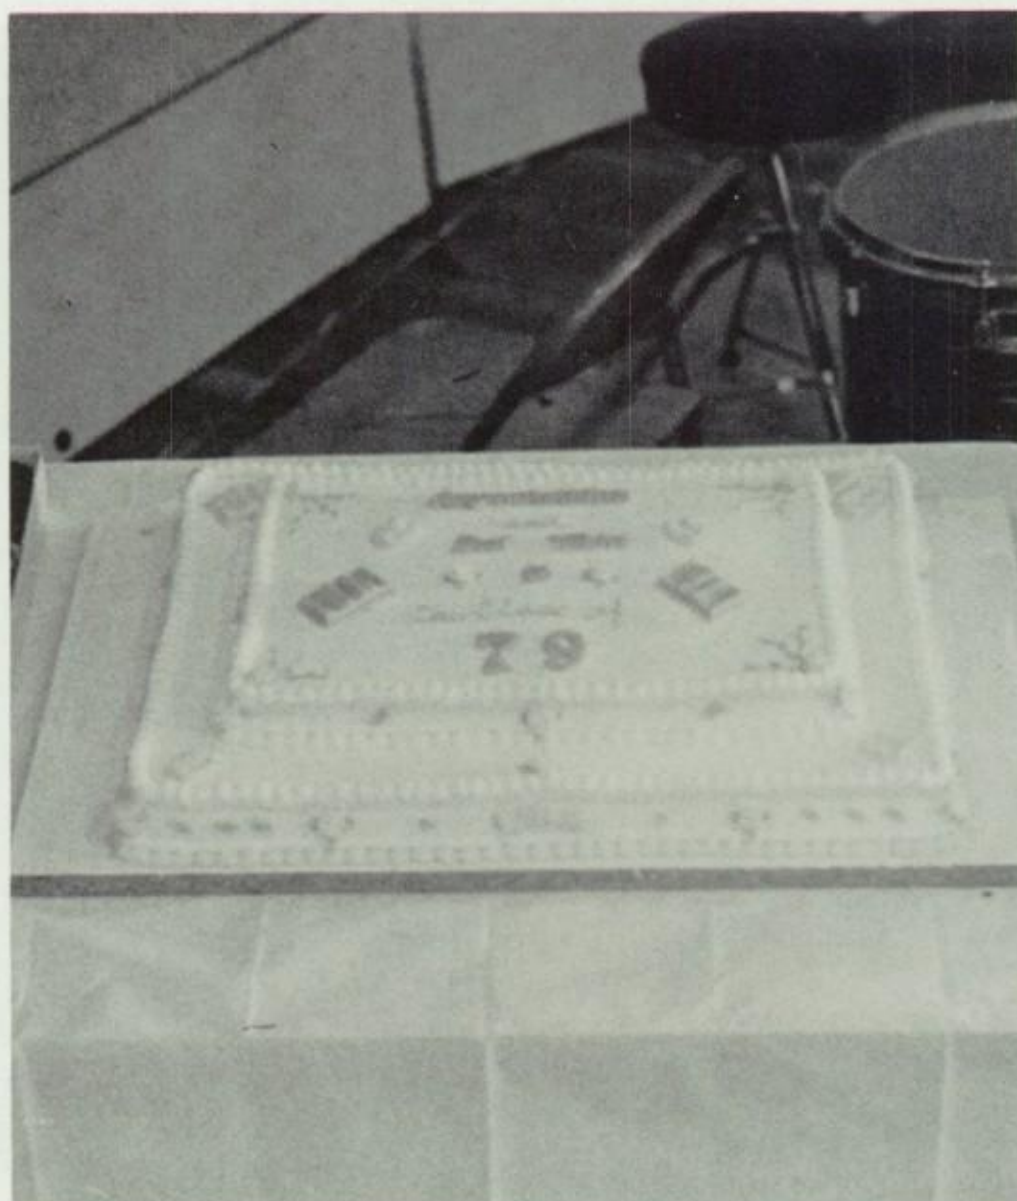

On February 1, ACHS had its first Ring Assembly in the auditorium during fifth and sixth periods. The Amerechos performed, followed by speeches by Beth Deaton, junior class president, and Mr. Carter. Mr. Carter read the names as each proud junior received his long awaited ring from Miss Mays and Mrs. Doremus. Afterwards, the excited juniors enjoyed a reception and a chance to display their cherished rings.

"My, isn't this interesting!"

One down, three hundred forty to go!

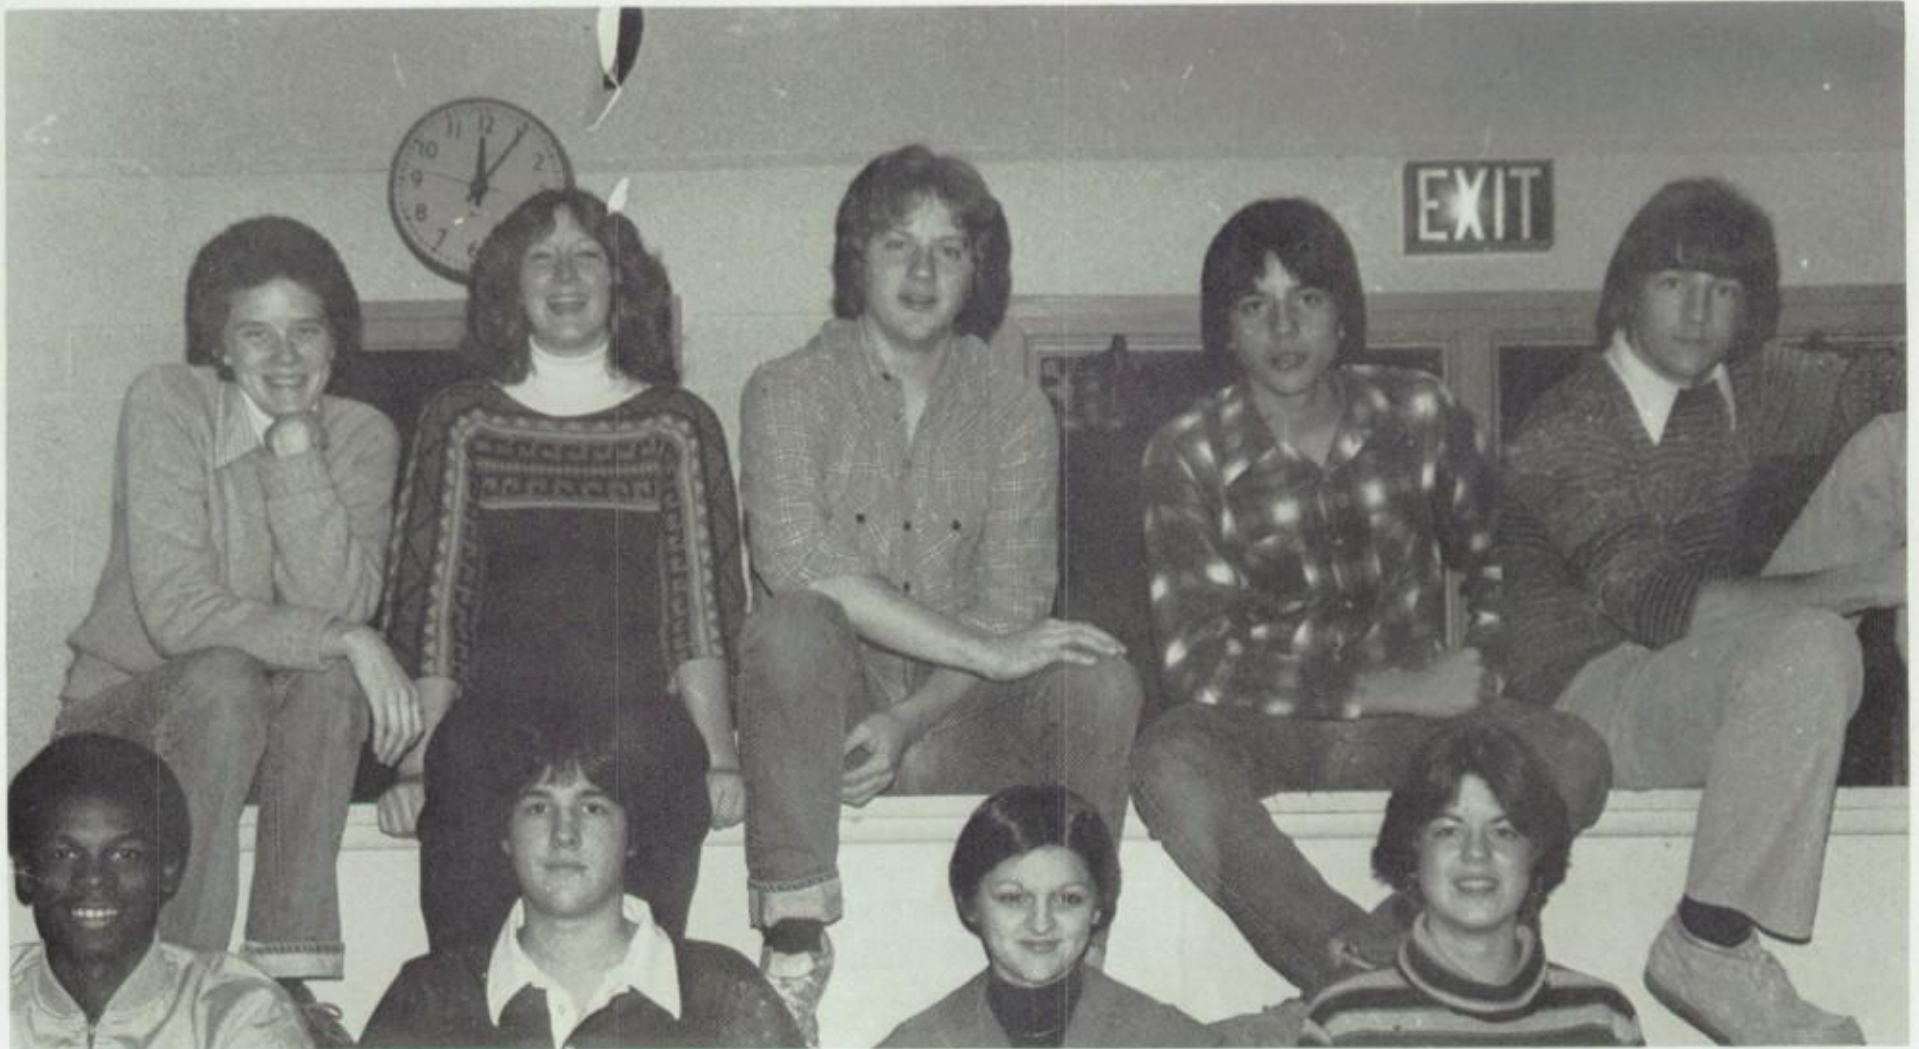

Pep Band

This year ACHS gained something new for the pep rallies, a pep band. They played for ACHS on January 6, 1978; their selections were "Brick House," "Cat Scratch Fever," and "Chinagrove." Everyone was on his feet clapping his hands to the beat of the pep band was greatly appreciated.

What a hassle!

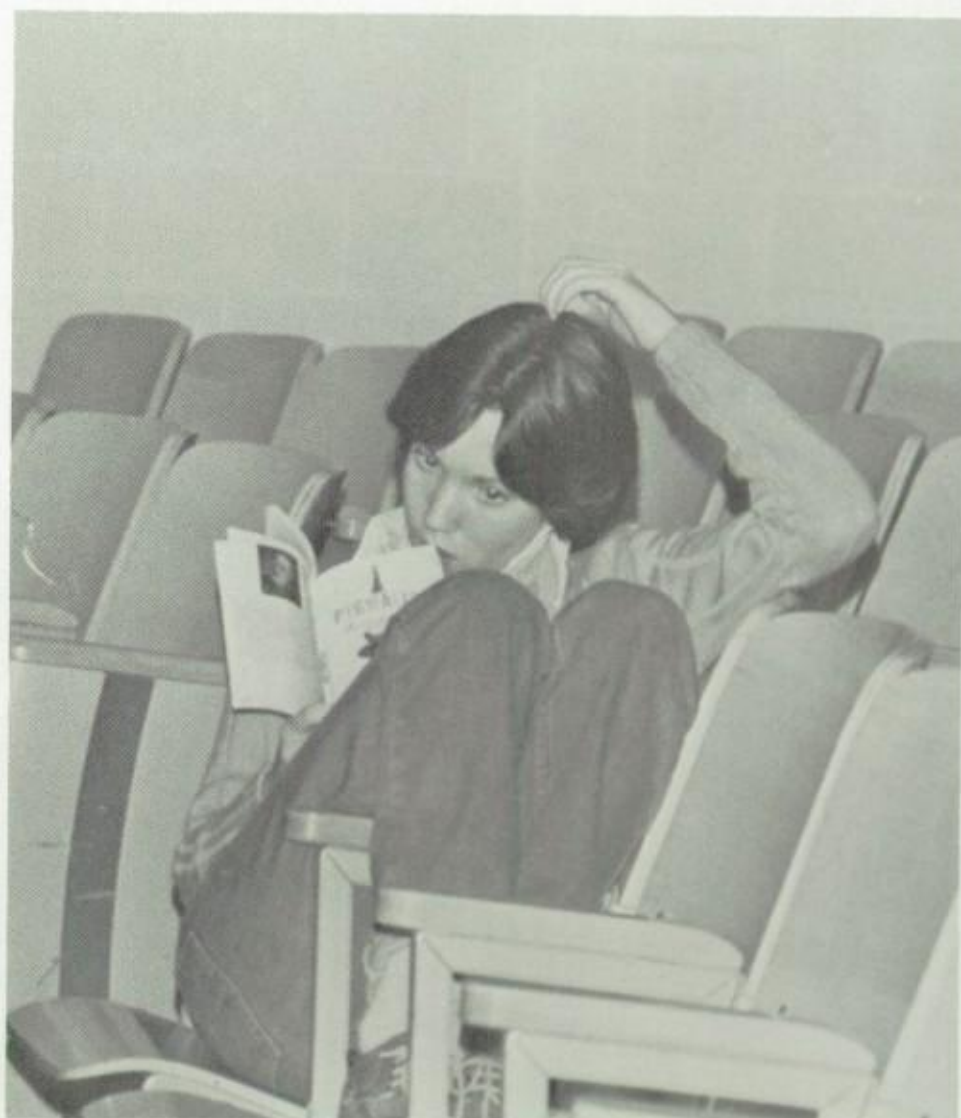

On November 18 & 19, 1977, the Class of '79 put on the play "Suitable for Hanging". The play was a mystery-comedy produced and directed by Mr. Bill Chavis. The story was set around a young man (played by David Vaughn) and lady (played by Cindy Cash) who were to be married. When the groom didn't show up for the wedding, the mystery began.

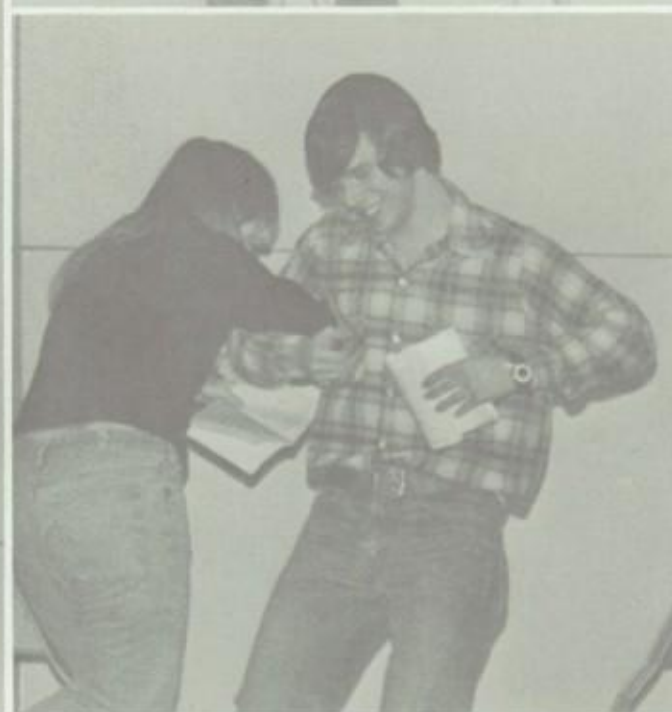

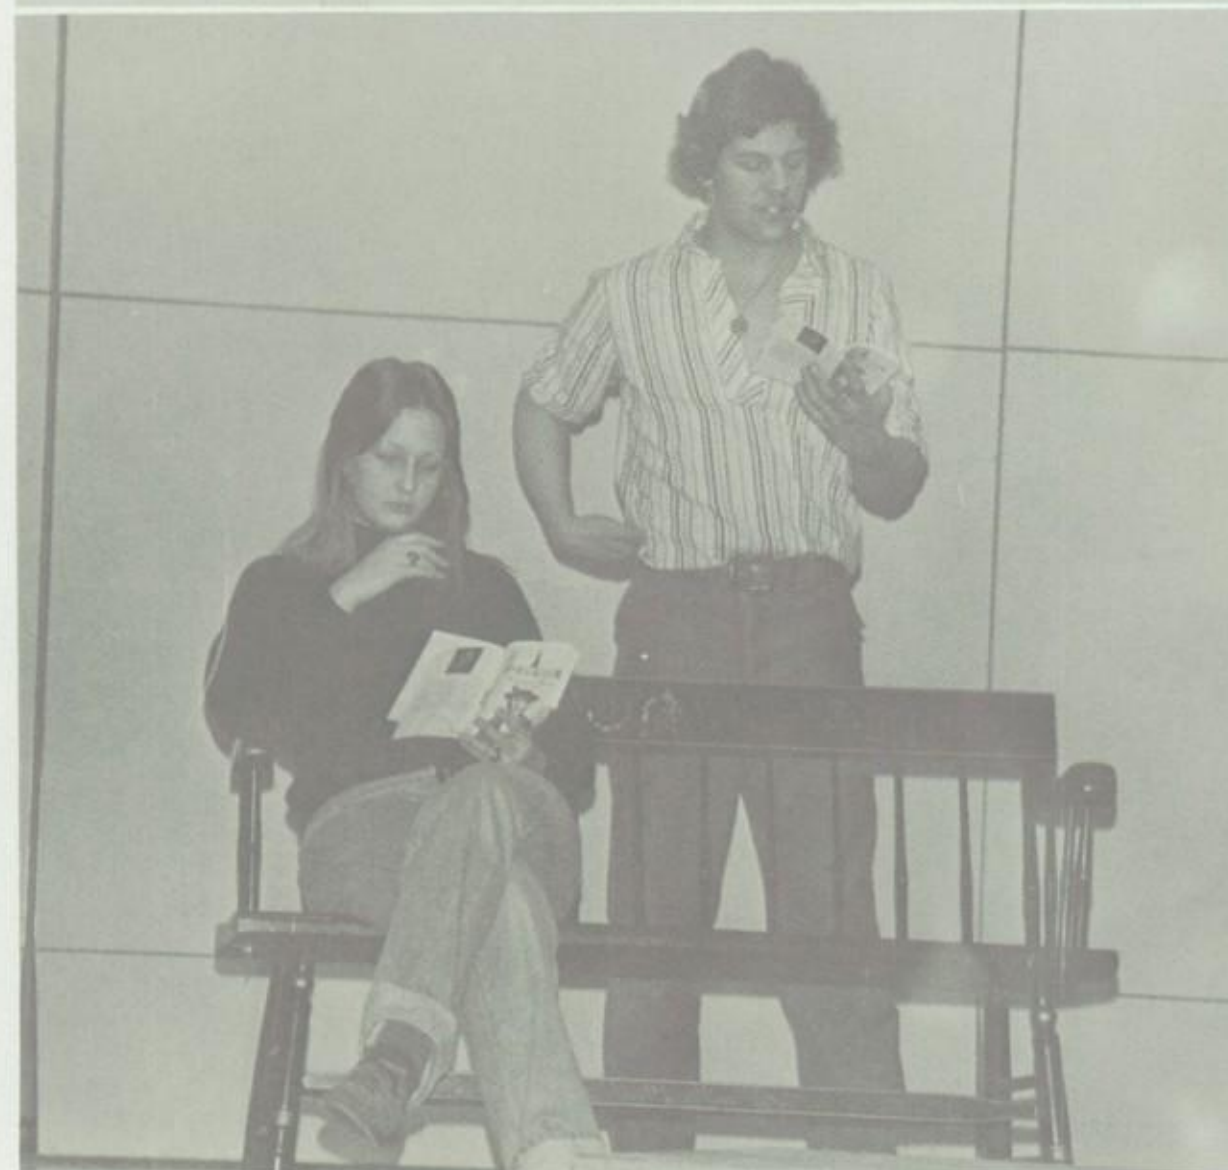

"Pygmalion"

The cast includes: **Row 1:** Katherine Hill, Sandra Davis, Sandra Burch, Laura Tyree, Fay Powell, Sherry Woodroof, Lynette Dodgion, and Jerry Newcomb. **Row 2:** John Press, Randy Gilbert, Roger Staton, Eddie Sellers, Zack Bernhardt, Ann Wilkins, Terry Morcom, and Randall Stinnette.

The Senior Play, "Pygmalion," was held in the ACHS auditorium. The cast and stage crew worked hard through snow and sleet and dark of night. Nothing could bar their path to a success. With determination and talent, the Senior Play cast showed that the Class of '78 is the class with class.

ACHS Band '78

Under the direction of Mr. Gatti, the band placed second in overall competition at Cary Band Day. Drum majors Aquanda Lewis, Randall Stinnette

and Amy Ordel (pictured above) aided in the band's success, as well as the drum line and flag corps, who placed first in their division.

Amherechos were invited to sing at Six Flags in Atlanta, Ga. This year, as in preceding years, they made ACHS proud to present them.

These students were selected from tryouts in November. They have their own unique and beautiful style and ACHS was proud of their performances both at school and in competition. As well as participating in regionals, Perry West auditioned for and made All-State chorus. We are all especially proud of him.

Pep Rallies

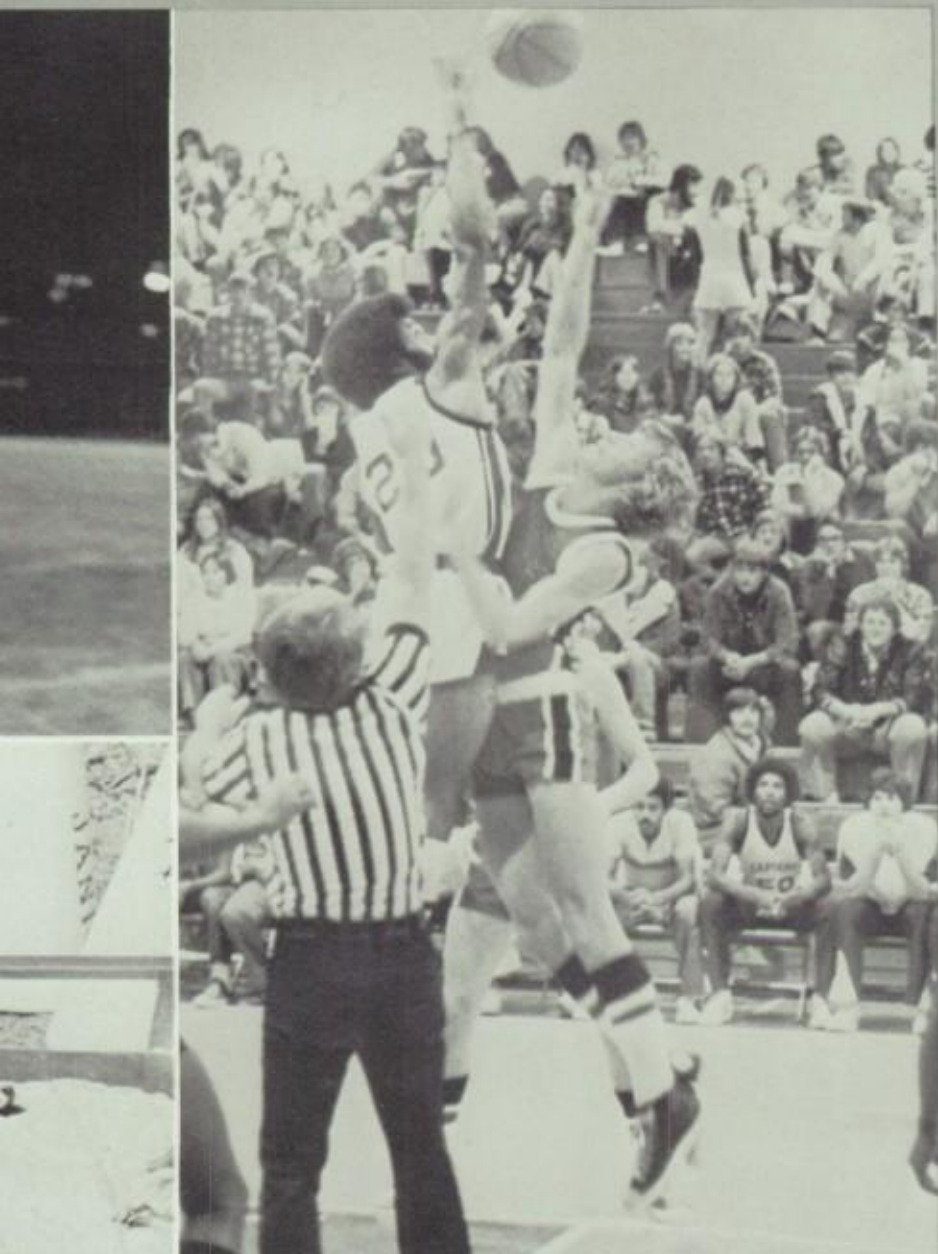

With the increased number of pep rallies, students' enthusiasm and school spirit were boosted. Pep rallies were held before every home football game and before several basketball games. Students showed immense pride in the Lancers, more so than in preceding years.

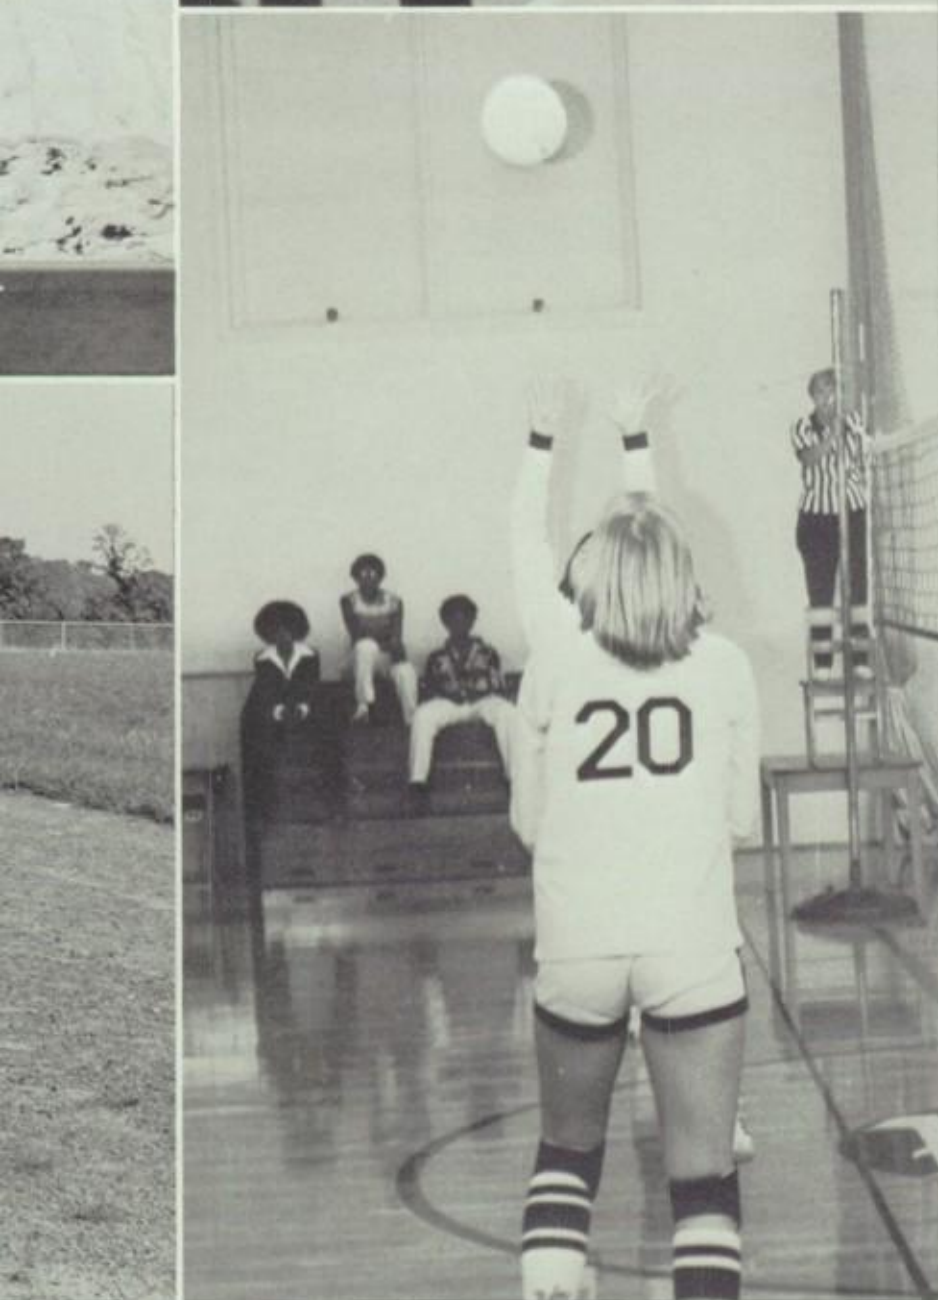

Cheerleaders get everyone in the spirit.

Recreation

Where would any school be without its sports teams; no Friday night games, no school pride, no coming together of the students? However, here at Amherst County High, we were proud to say that we had the best sports teams anywhere. We may not have always won, but the spirit and the hard working players made the difference. Sports brought in people from other places, showing them an especially nice place — Amherst County.

Barry Booker and Kenny Dixon make passing a breeze.

Football finally has been brought back to Amherst County. First year head coach, Jim Procopio, started the first phase of a great football program, which included the first weight program at Amherst. The Lancers finished a strong 6-4, with three district losses coming at the hands of William Campbell by two points, Brookville by two points, and Rustburg by four points. Only eight points separated Amherst from a 9-1 season.

Fans and sportswriters discussed the hard-hitting Lancers. One sportswriter commented, "When a team plays Amherst, they know they've been hit." Talk also centered around Lancer enthusiasm. Most teams would have called it quits if they had lost three games by eight points; but coaches Procopio, Noon, Seal, and White; tri-captains Everett Donigan, Gary Watts, and David Brown kept the Lancers' emotions high for every game.

School spirit rose to an all-time high this year. Pep Rallies occurring every home game proved beneficial throughout the season. Game attendance was tremendous. The teams' morale soared.

The head honcho speaks!

Mama Meeks

The Varsity Cheerleading Squad was really with it this year. The squad pepped up the students at the pep rallies and games. They increased enthusiasm with the "spirit stick." The class that won the most points for class spirit received the stick at the end of the year.

During the summer the cheerleaders came in second place out of 20 other cheerleader squads at Roanoke College. When school started the squad led the Lancers to a winning season in Football and Basketball.

During Football season the girls baked cakes for the team which added an extra boost to the team's morale. The squad's creativity reflected the spirit of the entire student body.

The girls' volleyball team managed a 3 and 6 record in the district. In pre-season play E.C. Glass and Heritage were humbled by the Lancerettes. Even though there were more dark spots than bright spots in their '77 season, the girls' volleyball team expect a better and much improved season next year.

The 1977-78 Boys Varsity Basketball team was loaded with talent and experience. With eleven lettermen and four starters returning from last year's team, the Lancers set their goals high. With their highly tuned offensive machine and a very stingy defense, the team played havoc with all Seminole District Teams.

This year's team only lost one player to graduation, so the Lancer fans should really have something to root for next season.

Coaches, Ernie Guill and Eddie Carter led the Lancer charges with great coaching. Coach Guill was a candidate for Seminole District Coach of the Year.

Co-Captains Jeff Bryant and Antonio Bolling led the team on court with spirit and inspiring play.

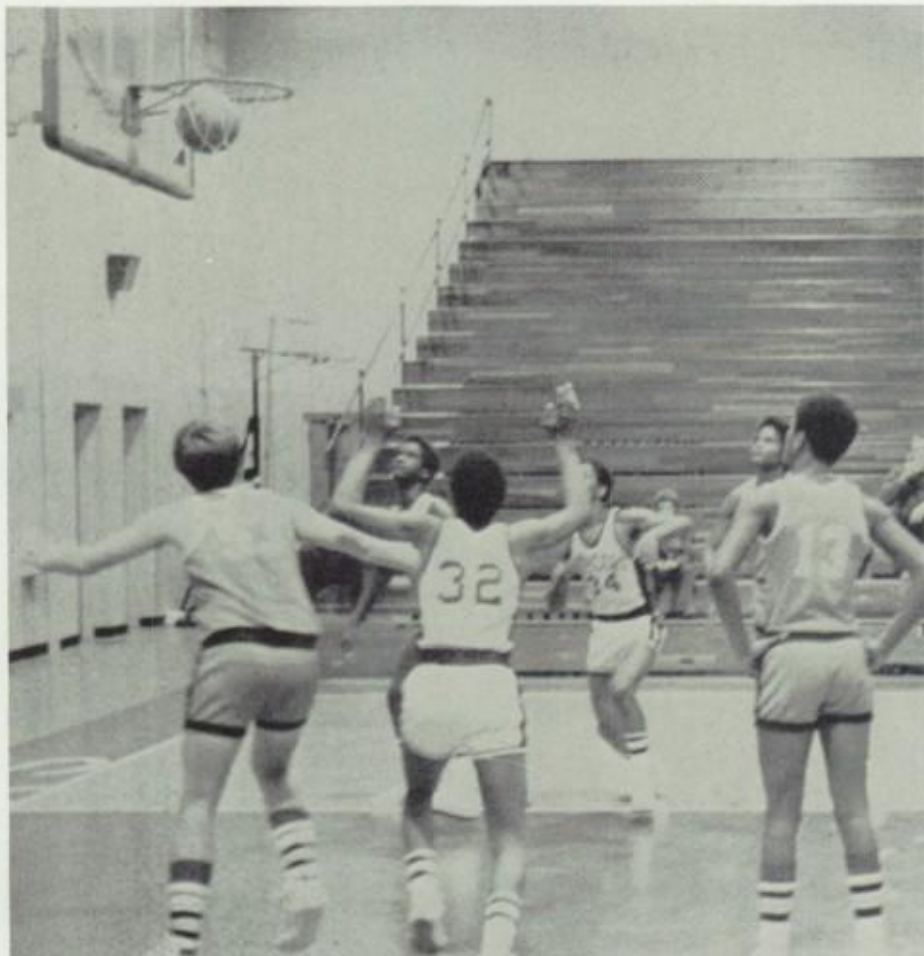

"Daddy Guill" has earned his smile.

Row 1: Greg Sandidge, James Humbles, Bubby Davis, Darryl Tanner, Donnie Peters. **Row 2:** Victor Rice, Clarence Douglas, Pierre Thomas, Ricky Terrell, Jeff White, Eric Glenns, John Austin. **Row 3:** Coach Castin.

Yes, one step from big time. These young men will be the future Lancer ball players. Through hard practice of fundamental basketball, they trained for future stardom. Behind first-year coach, Mr. Castin, the Baby Lancers were on the winning track.

Lancerettes-Undefeated in Spirit!

Row 1: Wanda Jones, Rosa Stallings, Wilhelmina Franklin. **Row 2:** Tamara Cash, Tammy Ogden, Vanessa Lewis, Cheryl Banks, Vivian Bradley.

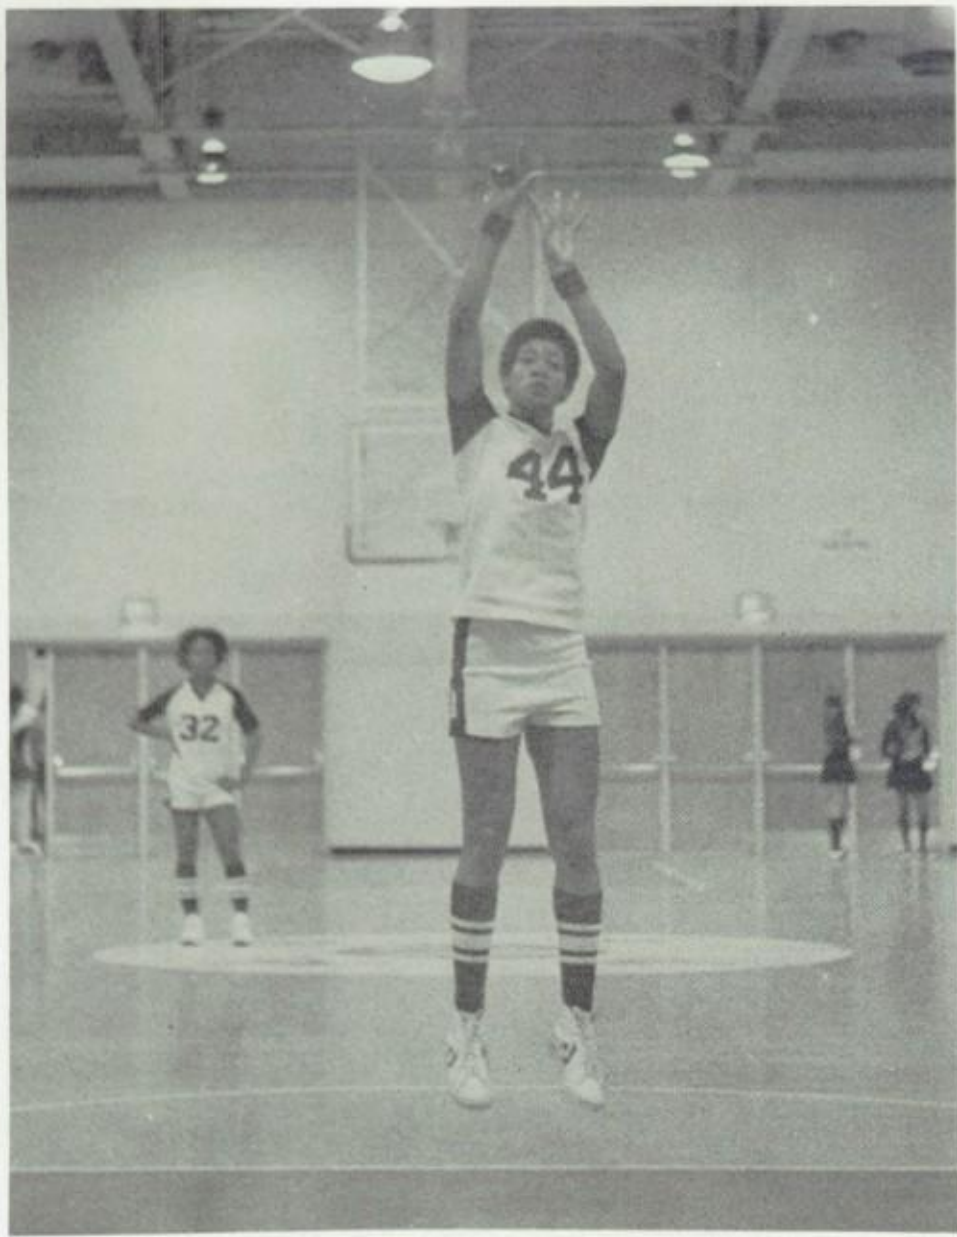

Row 3: Wanda Toliver, Robin Franklin, Patsy Meade, Lisa Davis, Nora Daniels, Nancy Trent, Carolyn Diogo.

The girls varsity basketball team had to make a come back from last season with only two starters returning. One asset the Lancerettes had was an All-District center, Wanda Jones.

The girls showed tremendous spirit and team work during the season. The losses they suffered were hard fought. They never lost hope during any of the games and their spirit remained undaunted.

Coaches, Mrs. Barbara Wood and Miss Mary Mays, did a superb job of coaching the girls. The coaches were the backbone of the team and without them the team would have had a rough time.

Lancer Grapplers Pin District Opponents

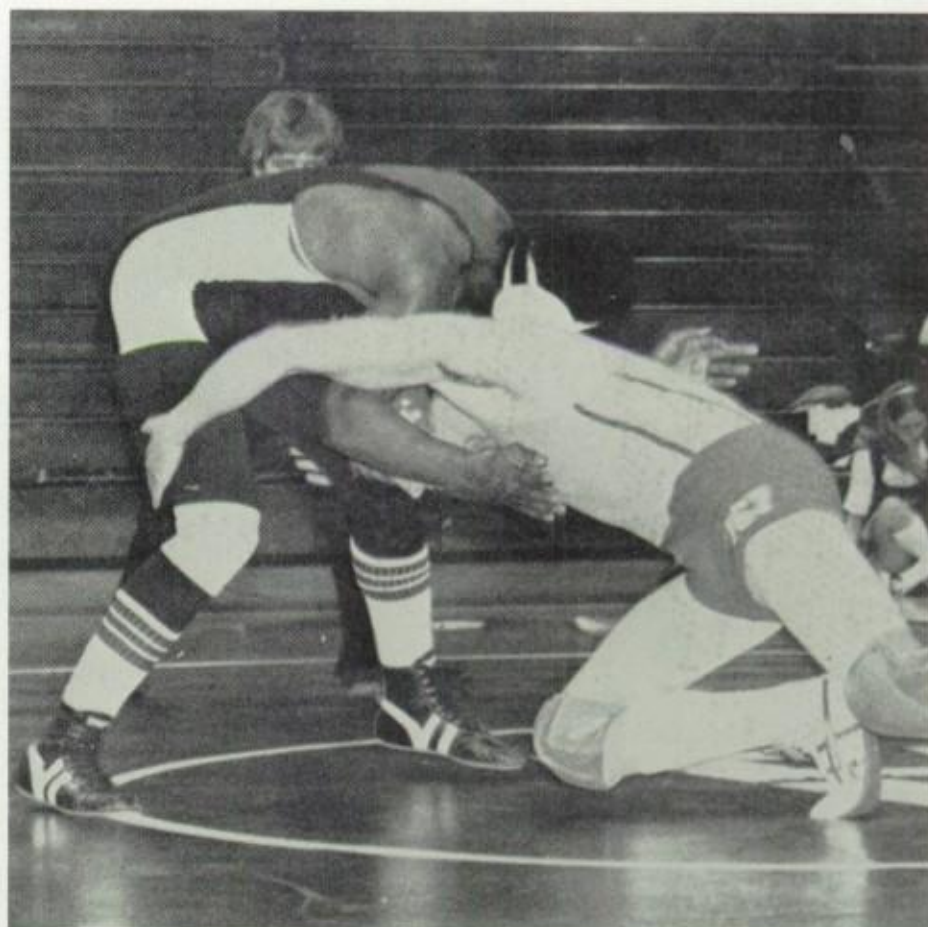

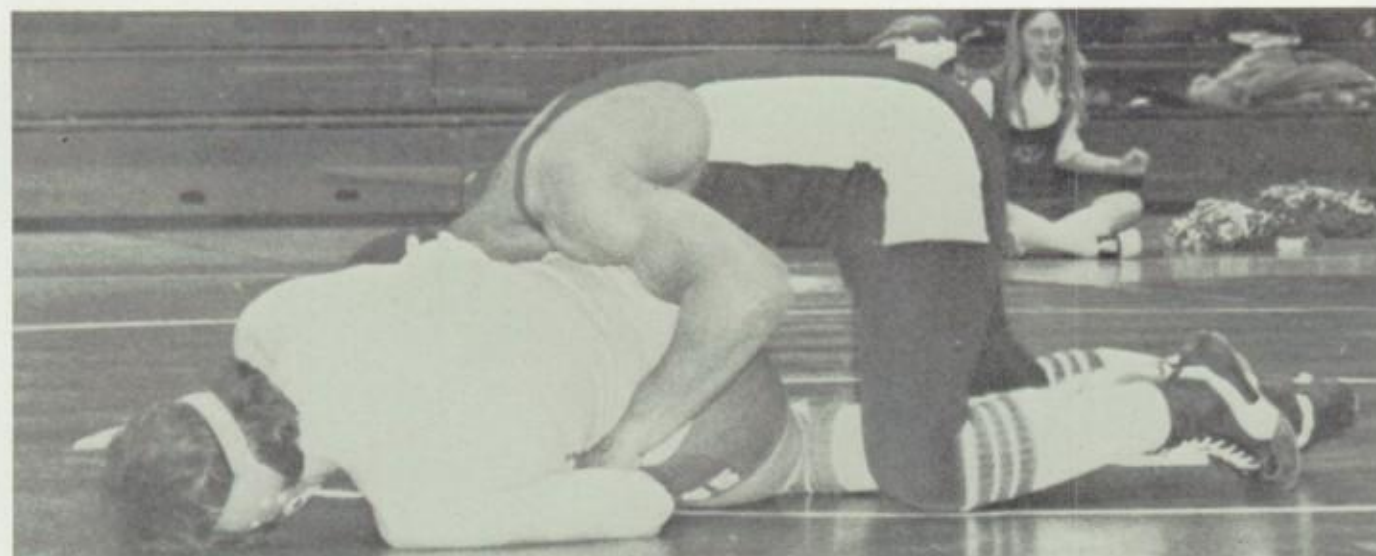

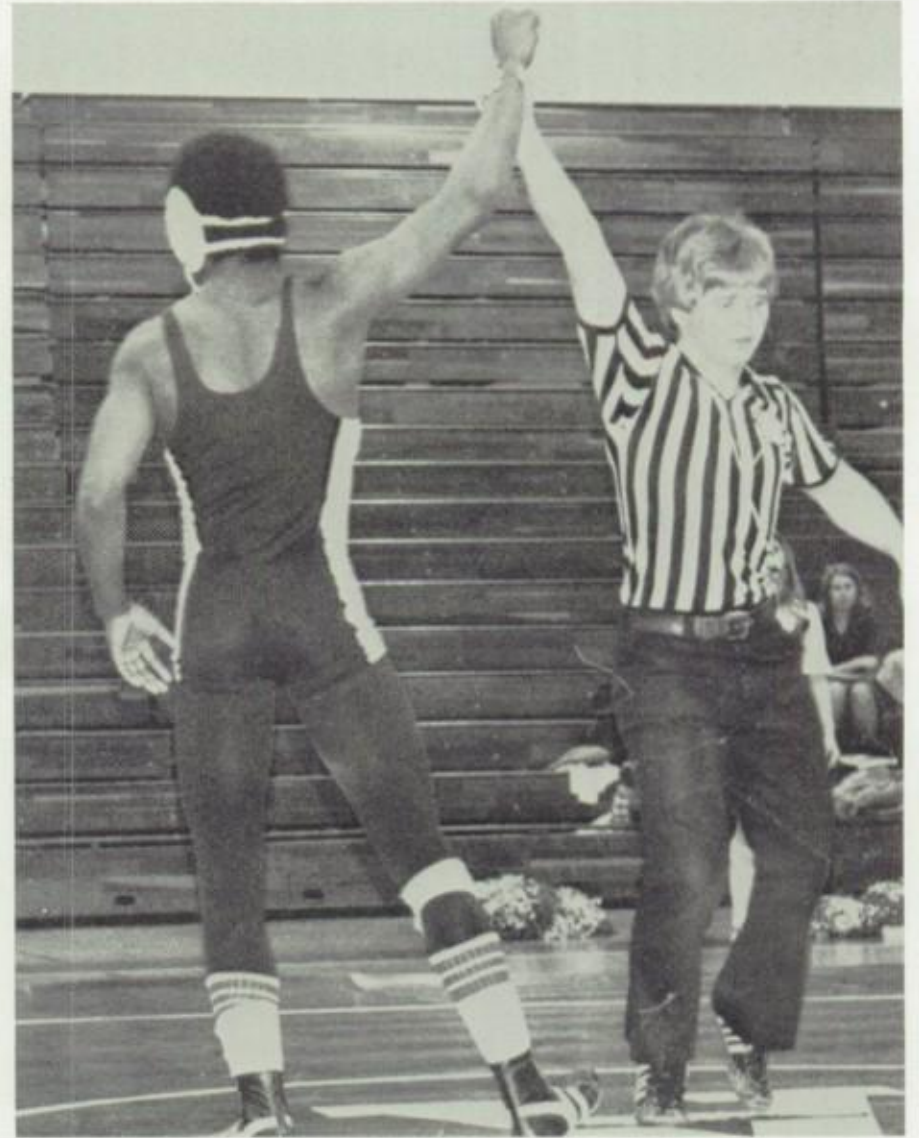

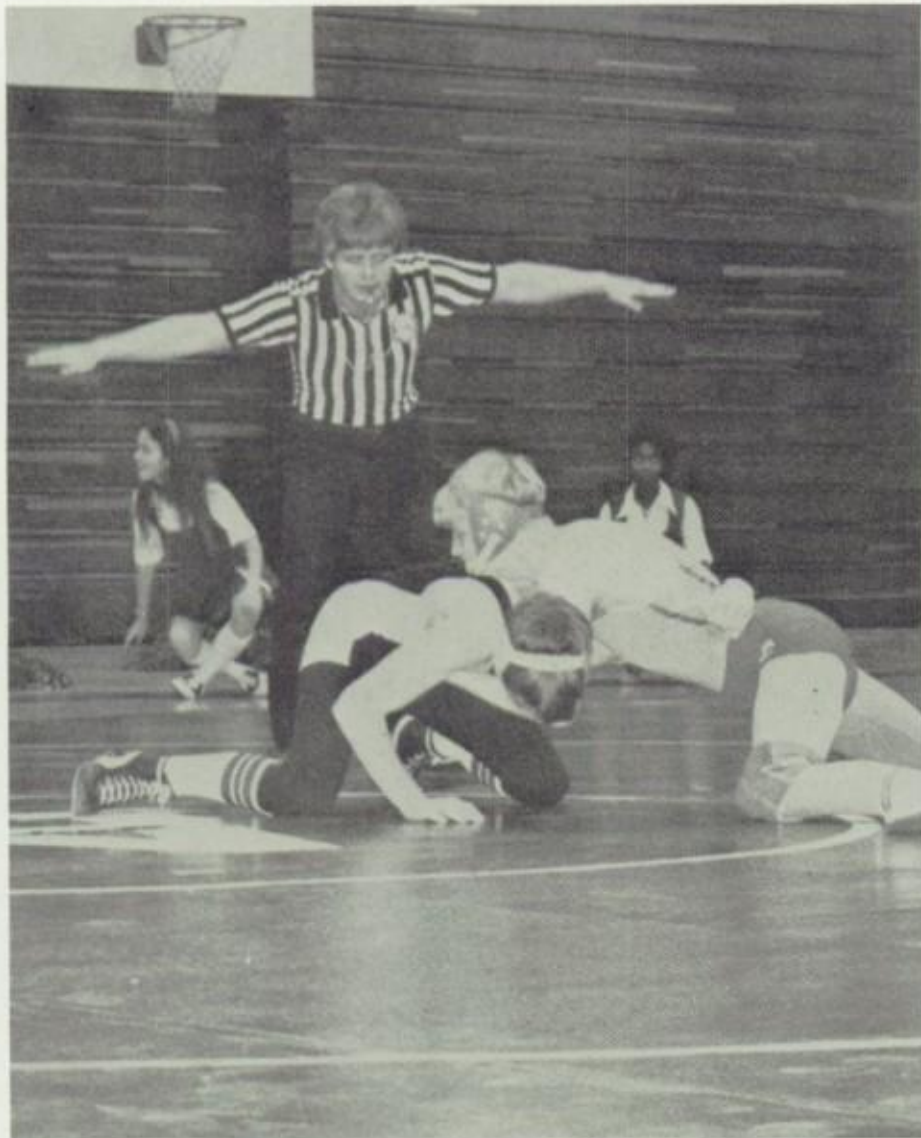

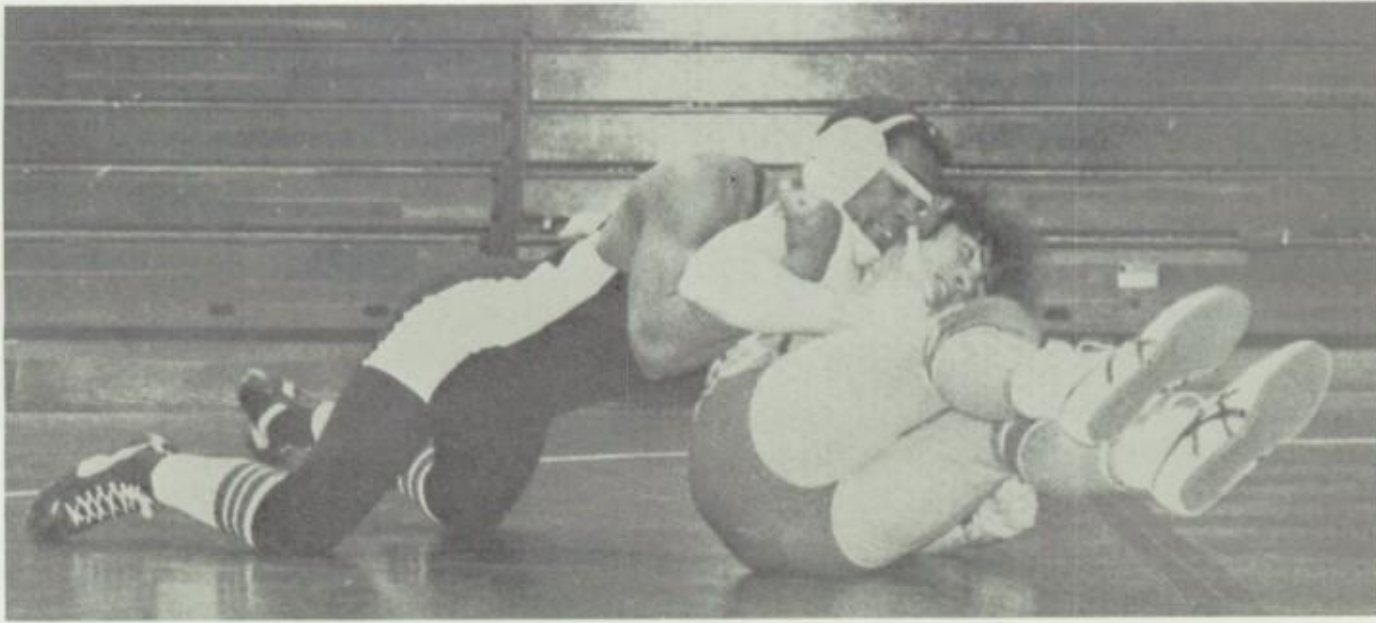

Row 1: Warren Reaves, Gary Watts, Glen Johnson, Greg Canada, Mitchell Braxton, Kenneth Gentry, Kelvin Brown. **Row 2:** Bobby Proffit, Marvin Miller, Karl Tatlock, Randy Faulcnor, Jeff Jones, Kenny West, Will Wilkins, Russell Dodgion. **Row 3:** Alan Dodgion, Ricky Clark, Ed Dillard, Jonathon Massie, David Brown, Mike Beard, Steve Procopio, Everett Donigan.

The wrestling team for the 77-78 season was backed by a most impressive line-up of grapplers. With State Champion, David Brown, and District Champion, Warren Reaves, the Lancer Matmen over-powered the other district teams and came out on top with a 5 and 1 record in the district.

In the Big Orange Tournament at Roanoke, the Lancers finished 5th overall, with David Brown the champion in the 185 lb. class; Warren Reaves placed second in the 119 lb. class; Gary Watts placed third in the 167 lb. class; and Ed Dillard placed fourth in the 155 lb. class.

The Lancer wrestlers were led by Coach John Seal, who added the encouragement needed to have a winning team.

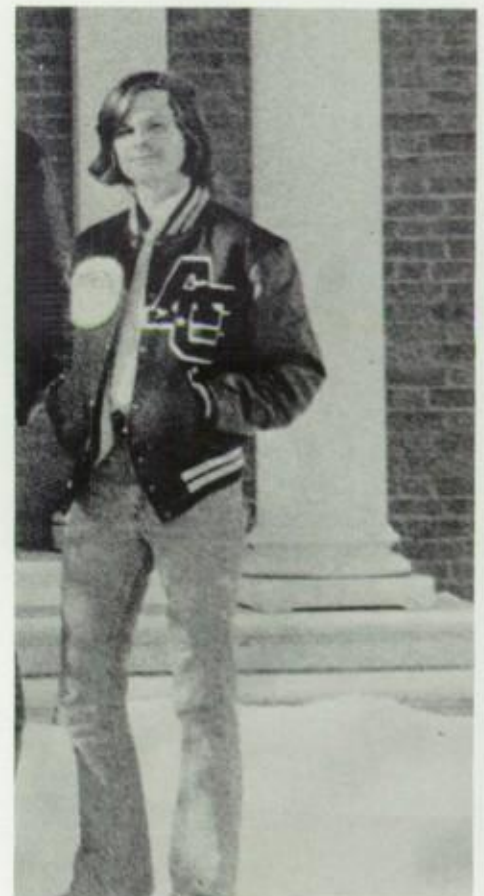

Lancer Harriers – Speed of Light

Row 1: Coach Earl Foster, John Overstreet, Kenneth Moore, Walter Wooldridge. **Row 2:** Bruce Stokes, Bobby Allen, Mike Wooldridge, Ken Coleman.

The indoor track team competed in two meets; both held at Lynchburg College on January 17 and 28. Amherst competed with Brookville, Nelson County, Jefferson Forest, Rustburg, Altavista, William Campbell, Gretna, and Liberty. In their first meet Amherst placed sixth with twenty-one points while in the second meet they placed seventh with fourteen points. Captains were Kenneth Moore, John Overstreet, Kenneth Coleman, and Bobby Allen. The regional and state entries were: John Overstreet, Bruce Stokes, Kenneth Coleman, Bobby Allen, David Hudnall, and Walter Woodrige. And for the 1978 season Kenneth Moore and John Overstreet tied for Most Valuable Player.

Co-Captain, Mike Wooldridge.

Coach White eyes his harriers.

Loosening up their muscles. Eyeing the finish line. Setting up at the starting blocks. On your marks. Bang!!! The Lancer Harriers were off and running at the Seminole District Track Meets. Second-year — Coach Lindy White brought the track team on like “gang busters.” His grueling, lengthy practices attributed to the team’s success.

Ken Moore and Mike Wooldridge were the top distance runners on the team. Jumpers Randy Maddox, Richard Trent and John Overstreet soared to new heights in the long jump, high jump and pole vault. Fred Rose and Mike Beard were steadfast weightmen who threw the shot put and discus. Sprinters Doug Anderson, Bruce Stokes, Ken Coleman, Bob Allen and Ed Howell swiftly ran to break that finish line first.

Batter Up!

Barry "Satch" Booker takes a hefty cut.

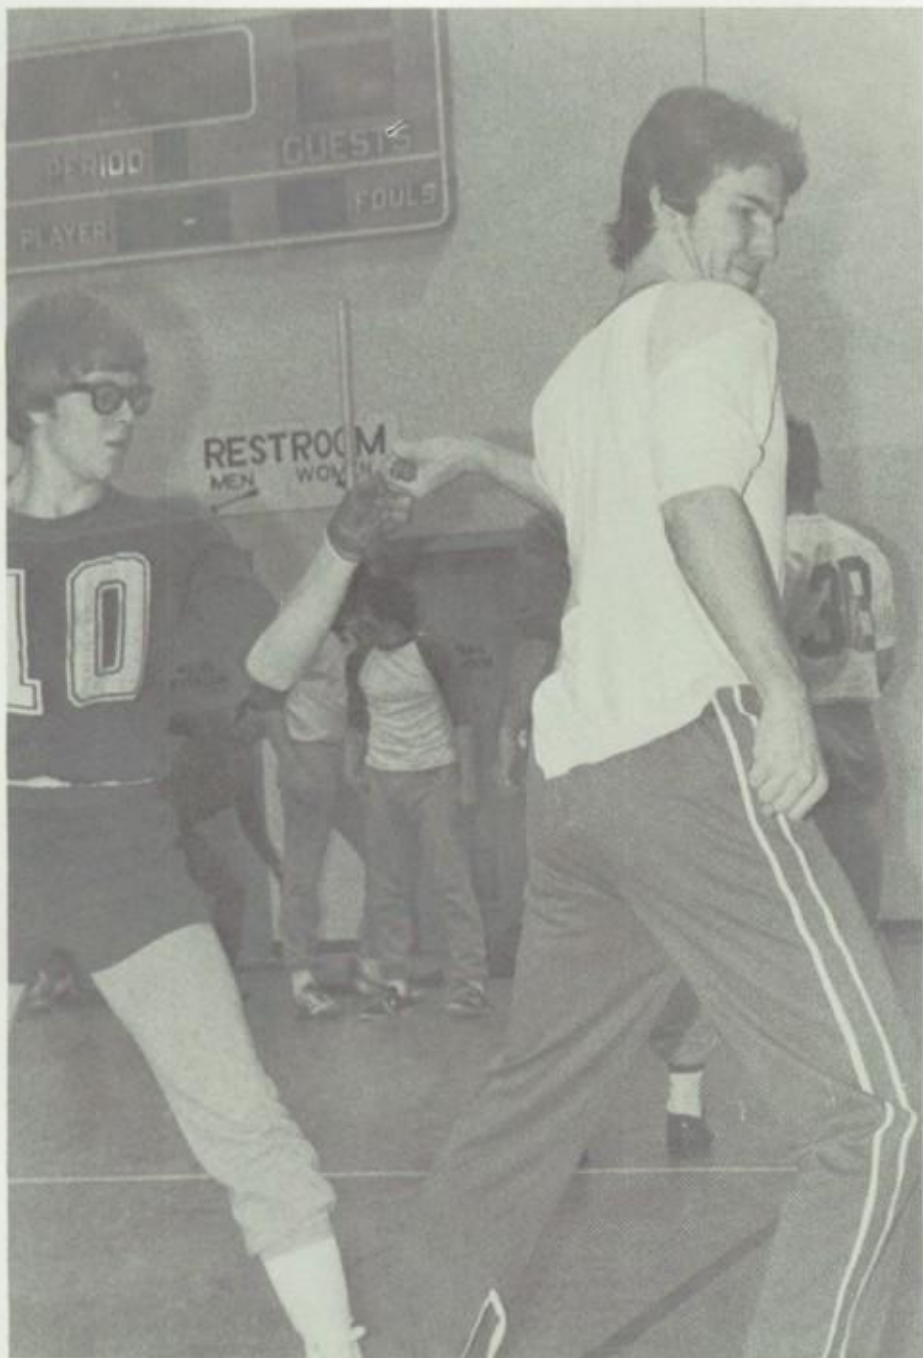

Did you see what he did to me, Coach?

A look back at the "77" season.

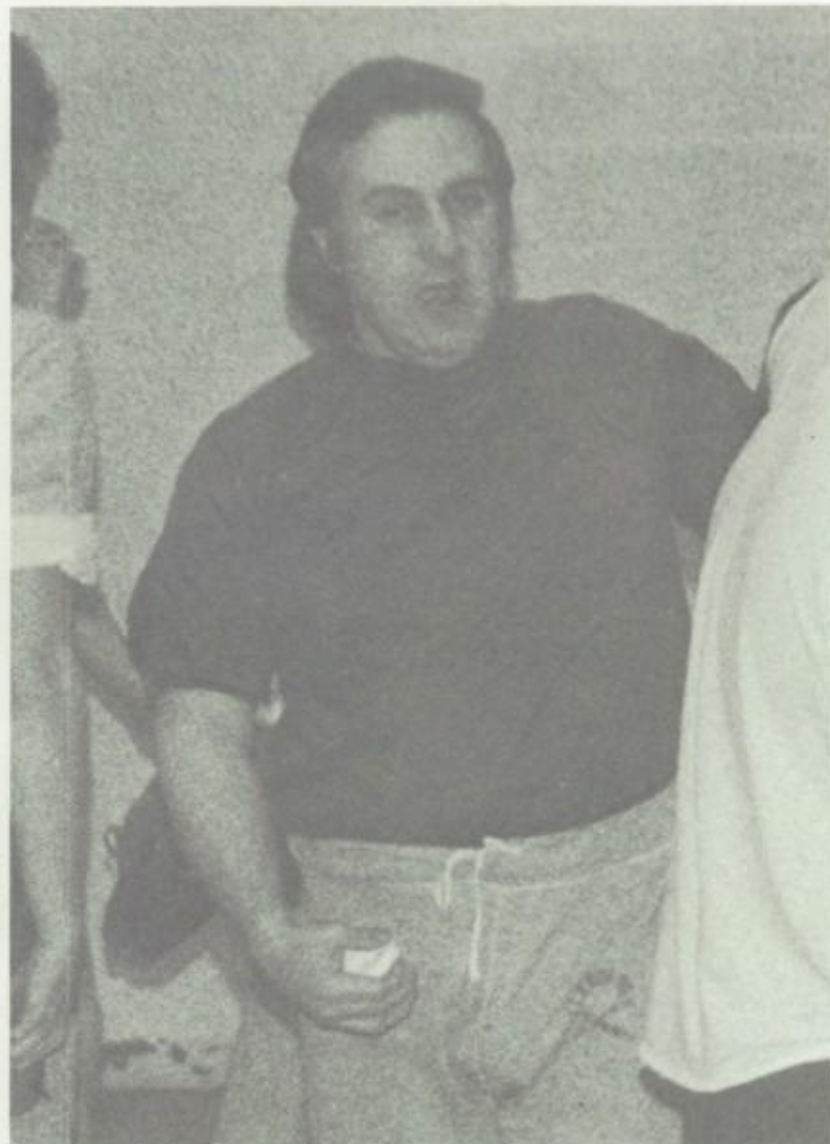

What does Coach Procopio think of the season? "The strength of the team is the returning players' experience. The schedule's going to be hard, playing three AAA teams and, through one stretch, seven games in eight days." The returning players are: Tony Stinnette, Barry Booker, Kenny Dixon, Danny Overstreet, Mark Lane, Jeff Floyd, John Press, Jeff Smith, Carlton Wingfield, Bernard Franklin, and Randy Gilbert.

Kenny Dixon winds up to throw a smoker!

Where do ya' think you're going?

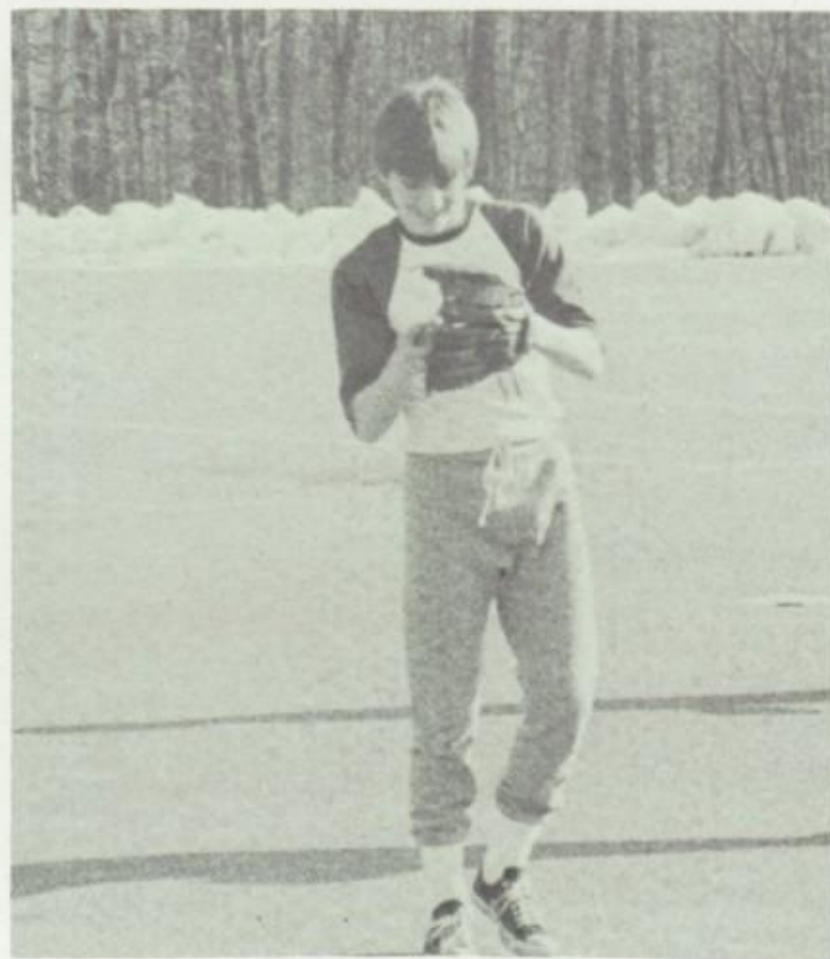

Puff and glide, Puff and glide, see the ball before you stride.

Girls' Softball – A Successful Hit

"Pay attention, Rosa; throw the ball like this," Coach Crews instructs.

Coming off a winning season, the '78 girls' softball team had a squad of experienced players coupled with new potential. Hard scrimmages prepared the Lancerettes for the district season. Enthusiasm by both the team and the coaches contributed to their success.

Under the direction of Mrs. Evelyn Harvey and Miss Brenda Crews the girls' softball team was able to compile a successful record.

Involvement

The students' togetherness, spirit, and ideas helped make the clubs more successful than ever, this year. Bake sales, candy sales, and raffles proved to be reliable sources of income for club projects, ranging from helping the needy to building tennis courts at ACHS. These students, working together, were helping to make Amherst County an even nicer place to live.

Amethyst

The 1977-78 Amethyst staff began working on the 1978 Amethyst in May of '77. The staff worked diligently over the summer contacting community businesses to sell ads. When school started, the real work began. Having to change complete layouts and type fifty pages the day before a deadline were some of the hassles that the staff encountered. But we always made our deadlines and when the book came out in the spring of '78 we realized that it was worth the work. The Amethyst staff would like to thank Mrs. Moser and Mrs. Love for all of their help and hard work. We give special thanks to Holly Parker and Marie Tomlin.

The 1978 Amethyst is composed of such items as custom embossed cover, gloss enamel paper, Palatino Italics headlines, Melior with Bold copy, 40% gray screen on pages 2,3 and 240, and 30% gray screen on all divider pages.

Faculty

Amherst County High School had several changes in its administration and faculty. With a new principal, ACHS had a different atmosphere. The faculty and staff continued to reach out to the students, encouraging them towards their goals. All dedicated workers may not have lived in Amherst County, but they realized the students at ACHS do have a nice place to live, work, and enjoy — Amherst County.

Individuals

At 8:50 every morning, 1200 individuals hurried to their homerooms. The halls seemed less crowded because of one less grade, but time between classes still seemed insufficient. In spite of this shortage, students stopped for a second to talk to friends. Rushing on, these many diverse students had two things in common; they cared for each other and they lived in a nice place — Amherst County.

An Involved Citizen of Lynchburg

First Colony Life believes you must be involved with the community. From our very beginning in Lynchburg in 1955, we've enthusiastically joined with concerned citizens in our community to lend assistance and support to civic endeavors. From restoration and revitalization of downtown to sponsorship of local law enforcement programs, we've been involved. When our local hospitals needed funds for improved medical facilities and new equipment to help save the lives of babies and mothers, we lent a hand. And you'll always find First Colony employees participating in community activities, giving freely of their time, talents and resources. When there is more to be done, we'll be there to help. We're an involved Lynchburg citizen.

First Colony Life joins your families and friends in congratulating the Class of 1976 for the successful completion of this important milestone in your lives and wishes you the best of luck in the years ahead.

PICK A SKILL... START WORK IN 9 MONTHS

If you think that sounds too good to be true, you're wrong!

The Air Force has a program that allows you to enlist today and wait up to 9 months before reporting for duty. It's called the Delayed Enlistment Program.

When you qualify for an Air Force enlistment, your name and job reservation are loaded into a computer.

It's your assurance of an Air Force job and it gives you a future entry date if you need some extra time before reporting for training.

An Air Force job also offers a good starting salary, free housing and food, free medical/dental care, 30 days of paid vacation a year and more. See your local Air Force representative... he has all the facts.

AIR FORCE . . . A GREAT WAY OF LIFE.

Getting in tight with a bank may be the farthest thing from your mind.

Maybe you and money hardly know each other these days. So choosing a good bank seems like no big problem.

But it won't be long before you'll be making and managing money like everybody else. Maybe a lot more money than you imagine now. And what a bank can do to help will be pretty important.

At United Virginia, we know just how important you're going to be. So we'd like to be helpful right now.

We'll set you up with a checking account and a savings account if you can swing it. And we'll do our best to help you solve any money management problems.

Just because you're not making a lot of money now, don't think we're not interested.

The way we figure it, you're already a part of our future plans. And if we're going to deserve your business later, we'd like to start earning it now.

the Challenge

From the atom to the sun... the universe pulsates with energy in many forms.

The challenge is to find ways... new ways... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means — innovative technologies, exotic engineering, dynamic architecture — exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest... that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.

For six years Mr. Kendrick taught Auto-Mechanics and for six years he was everybody's friend, especially his students. Mr. Kendrick was a valuable member of ACHS, well-liked and respected by everyone. We admired him for being himself.

Located on Route 29 in Madison Heights on the property of Mrs. John Lewis Tyler is a oneroom log cabin. That cabin was the first school in Amherst County and it contained all grades.

That small cabin cannot even compare with ACHS. With over fifty classrooms and approximately 1250 students, Amherst County High School is quite an advancement over the county's first educational institution.

This year at ACHS, the halls were less crowded because the freshmen were divided between the two Junior High Schools, Amherst Junior High and Monelison Junior High. With no new class, the first few weeks of school were void of the usual confusion and students were given more privileges, such as drink machines and longer lunch periods. These innovations marked the beginning of numerous improvements for ACHS.

"WE ARE THE CHAMPIONS"

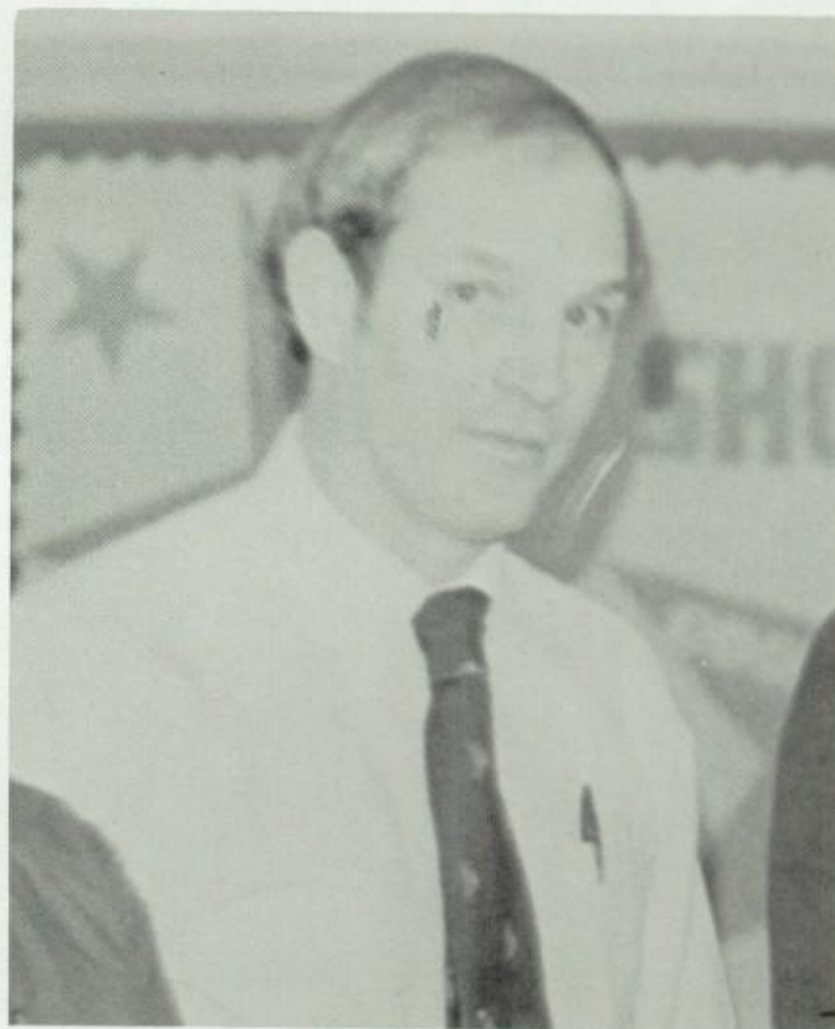

Congratulations to our extraordinary basketball team on an exciting season that made ACHS proud! The Lancers finished the season with a 16-4 record that brought them from eighth ranked last year all the way to first. In a breath-taking, sensational game against the Altavista Colonels, the Lancers captured the District Championship title.

The whole basketball season breathed a certain spark of life and spirit into ACHS. Both the pep rallies and games stimulated the school and the county in a way never seen before. Students, parents, faculty-everyone-united behind this impressive squad of young men.

To make the season an even more memorable one, Coach Ernie Guill was voted Coach of the Year for the Seminole District. It was a great honor for him and one well deserved. Randy Jones felt that Coach Guill was the best in the district and Mike Anderson remarked that Coach Guill made them use their heads, coaching them well. What does Coach Guill say? He was honored by the award and he felt it was a great year accomplished through team effort.

Several team members received honors. Kenny Dixon and Barry Booker made second team All-District and receiving honorable mention for the second All-District were: Jeff Bryant, Kelvin Smith, and Antonio Bolling.

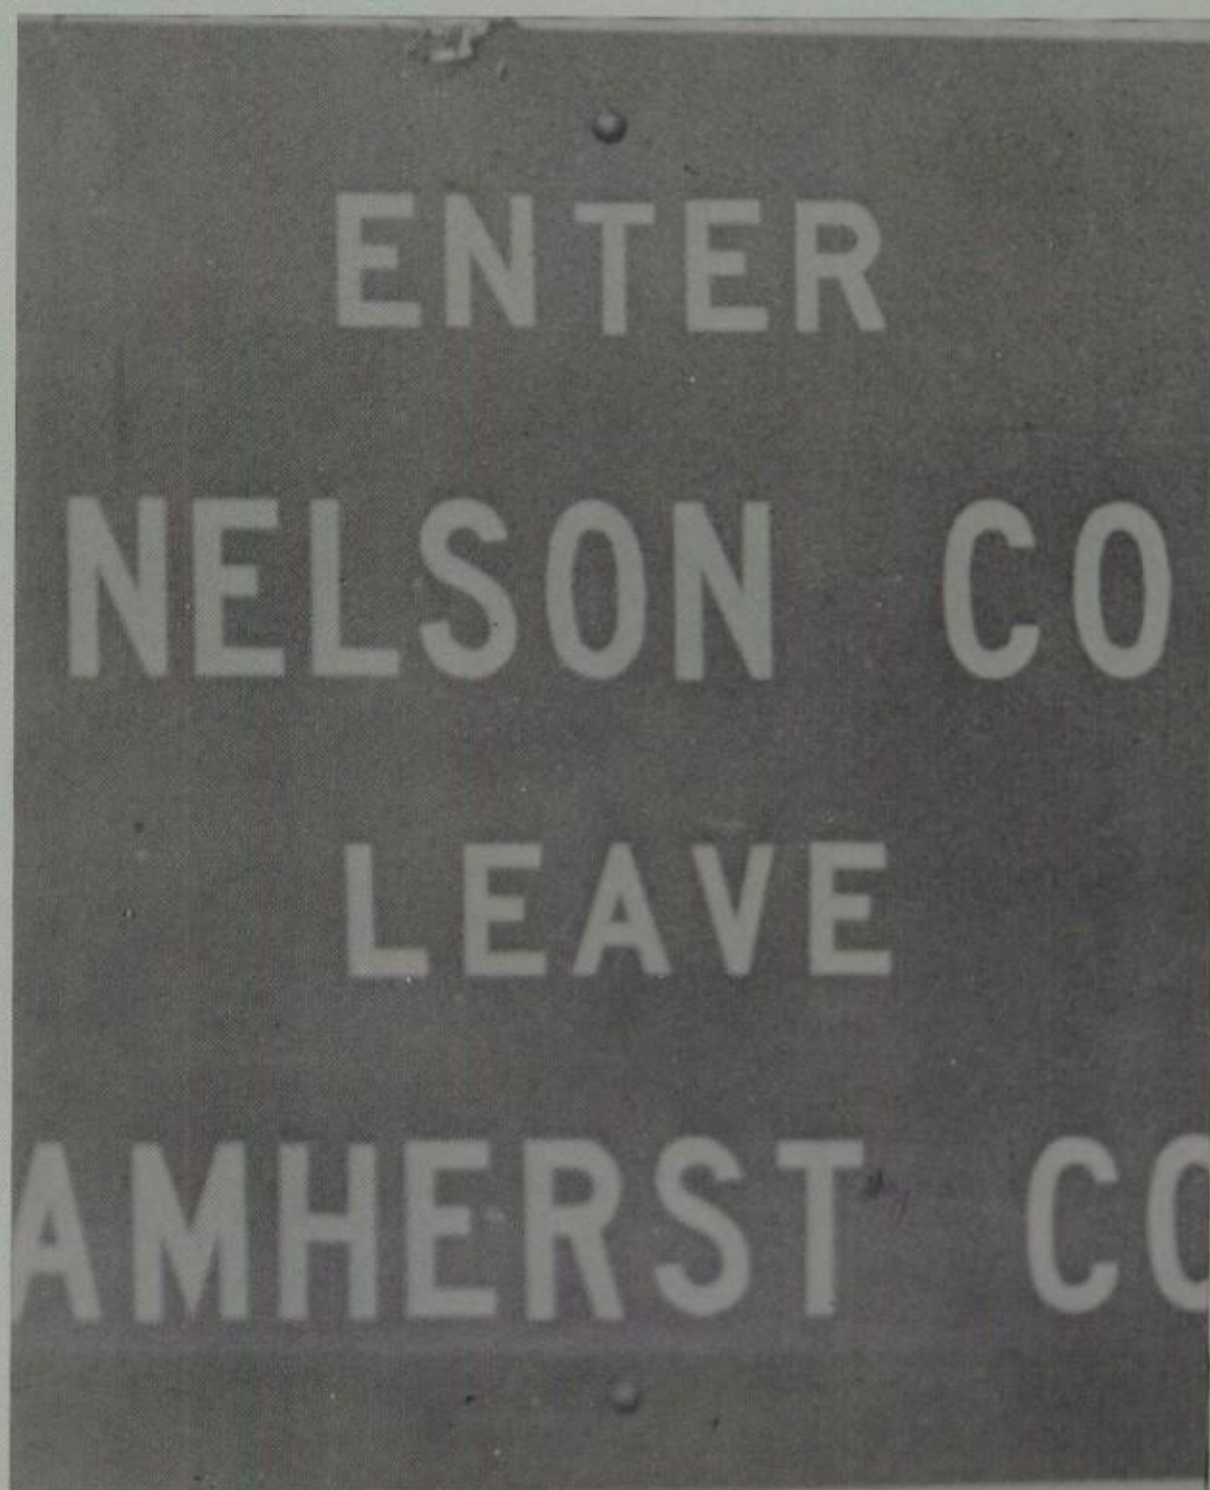

THE COACH OF THE YEAR!

Sunsets over Tobacco Road Mountain are unique in their beauty, something that can never be seen anywhere else. Sunday rides on the Blue Ridge Parkway, picnics, autumn hiking, skiing at Wintergreen, and spring blossoms are all a part of the many things that make Amherst County special.

Reaching out to one another and caring are characteristics that flourish in our county. A feeling of security is derived from the knowledge that there is always a friend nearby.

Amherst County is a nice place to live.
